Creating an R&D Strategy - Harvard Business School

24-04-2012 · R&D strategies, like all strategies, must start with the devilishly simply question: "how do we intend to win?" The "game plan" for an R&D organization can be broken down into 4 strategic levers: architecture, processes, people, and portfolio. Together, decisions made in each of these categories constitute the R&D strategy (see Figure 1).
