Learning About World War I and World War II with Arts & Crafts Paul Challen 2014-12-15 World War I and World War II both had a huge impact on the modern world. Readers explore the history of these wars in a very creative way—through making crafts inspired by these events in American history. Readers learn about different styles of warfare as they make their own periscopes, and they learn about the role the United States played in each conflict as they make their own war posters. These projects are accompanied by enlightening text, including helpful sidebars and fact boxes. Photographs from this period in history engage readers with each turn of the page.

Survival Tails: World War II Katrina Charman 2019-10-15 A brave messenger pigeon enlists a group of heroic zoo animals to help him complete his mission in this thrilling, informative read, perfect for fans of the Ranger in Time and I Survived series World War II is raging across Europe and the German army has their sights set on England. Messenger pigeon Francis carries important notes back and forth between England and her allies, and wants nothing more than to do his part for the war effort. But when Francis is injured on an assignment to deliver the most important message of the war--one which warns of a coming attack on Britain itself--he finds himself stranded in the middle of the London Zoo with no way to complete his mission. Ming, the world-famous panda, has so far managed to avoid being caught up in the war. But that's getting harder and harder to do as the zoo suffers under dwindling food rations and German air raids threaten the city every night. When Francis lands in Ming's enclosure, she knows she can no longer stand by and do nothing. Enlisting the help of a kind zookeeper and a resourceful troop of monkeys, Ming fights to help Francis recover his strength so that he can carry out his mission. But when the war finally arrives in London, threatening everyone in the zoo, Francis, Ming, and the other animals must work together to save themselves...and maybe even London itself.

World War II Map by Map 2019-09-03 Trace the epic history of World War 2 across the globe with more than 70 detailed maps. In this stunning visual history book, custom maps tell the story of the Second World War from the rise of the Axis powers to the dropping of the atom bomb on Hiroshima and Nagasaki. Each map is rich with detail and graphics, helping you to chart the progress of key events of World War II on land, sea, and air, such as the Dunkirk evacuation, the attack on Pearl Harbor, the D-Day landings, and the siege of Stalingrad. Historical maps from both Allied and Axis countries also offer unique insights into the events. There are timelines to help you follow the story as it unfolds, while narrative overviews explain the social, economic, political, and technical developments at the time. Fascinating, large-scale pictures introduce topics such as the Holocaust,

blitzkrieg, kamikaze warfare, and code-breaking. Written by a team of historians in consultation with Richard Overy, *World War II Map by Map* examines how the deadliest conflict in history changed the face of our world. It is perfect for students, general readers, and military history enthusiasts.

De vijfde colonne A. Gross 2020-11-03 Tijdens WO II vormden nazisympathisanten in Amerika de 'vijfde colonne', spionnen voor de Duitsers. Een joodse man in NY vermoedt dat zijn Oostenrijkse burens het op hem en zijn dochter gemunt hebben. Van Andrew Gross verscheen eerder een aantal indrukwekkende historische thrillers als Alleen hij en

De saboteur. In De vijfde colonne (The Fifth Column) is wederom een thema uit de Tweede Wereldoorlog de inspiratie voor een indrukwekkende thriller. Terwijl in Europa WO II uitbreekt, komen in Madison Square Garden 22.000 nazisymphisanten bijeen. Zij vormen 'de vijfde colonne', spionnen voor de Duitsers, ingebed in het alledaagse leven in New York. De Joodse Charles Mossman raakt die avond verwickeld in een gevecht en verdwijnt voor twee jaar in de gevangenis. Na vrijlating blijken zijn vrouw en dochtertje Emma verhuisd te zijn naar een wijk waar support voor Hitler normaal is. Terwijl Charles probeert zijn huwelijk te redden, groeit zijn wantrouwen tegenover het echtpaar dat in hetzelfde gebouw woont en dat een opvallende interesse in zijn dochtertje Emma toont. Terwijl Amerika zich mengt in de oorlog, realiseert Charles zich dat de Bauers wellicht onderdeel zijn van een sinister complot en dat Emma een onschuldige prooi vormt...

Eyewitness World War II Simon Adams 2007 Provides a concise history of World War II including information about the Holocaust, the code-breaking Enigma, and the deadly V2 rocket.

World War II the Definitive Visual Guide 2021-05-06 World War II is captured in hundreds of compelling images, presenting the people, places, and politics involved in the epic conflict. Inside this complete visual guide is chronological coverage of the lead up to war, major military battles around the globe, and the aftermath that still influences and impacts our world today. You'll meet the key players in thought-provoking profiles and discover their experiences firsthand, from national leaders sounding the orders to combatants on the frontline and civilians left behind. Standout moments, including Pearl Harbor, Hiroshima, and the D-Day landings, are revealed in rarely seen colour

photographs and unforgettable eyewitness accounts. Explosive photography, international maps, accessible text, and supporting timelines combine to show the most destructive event ever known in unprecedented depth and detail. Although the complexities of World War II can be hard to fathom, this standout reference is organised in a logical order and the supporting captions are concise and clear throughout to aid understanding. World War II: The Definitive Visual Guide provides an unparalleled account of this devastating conflict so we never forget and continue to learn from the past.

World War II Andrew Langley 2013-03-01 This series relates the overall chronology of major wars and shows their impact on everyday lives. Each book explores what the main events were, who the significant leaders and participants were, and what the strategic and technological nature of the conflicts were.
