**How to Work with Sex Offenders Rudy Flora 2013-06-19** How to Work with Sex Offenders is a cutting edge, state-of-the-art book that provides mental health professionals best practice techniques on how to clinically evaluate, interview, and treat this challenging patient population. Successful models of individual, family, and group models of psychotherapy are provided for the reader. In addition, this handbook walks the reader through the investigation, arrest, prosecution and court hearing process, from start to finish. Thoroughly revised, this new edition builds on additional research data and new information, adding advanced chapters on female offenders, Internet offenders, pornography, sexual addiction, rape and child and adolescent sexual misconduct. This is a must-read work for undergraduate and graduate students, law enforcement officers, prosecutors, judges, child protection service workers, therapists, and other professionals who work with sex offenders.

**In the Grip of Desire Gale Holtz Golden 2009-05-18** First Published in 2009. Routledge is an imprint of Taylor & Francis, an informa company.

**Addiction Counseling Review Robert Holman Coombs 2004-12-13** Addiction Counseling Review: Preparing for Comprehensive, Certification, and Licensing Examinations offers a clear, readable overview of the knowledge and skills those training as alcohol or other drug counselors need to pass their final degree program, certification, and licensing examinations. It is organized into six sections: Addiction Basics, Personality Development and Drugs, Common Client Problems, Counseling Theories and Skills, Treatment Resources, and Career Issues. Each chapter includes challenging study questions that enable readers to assess their own level of understanding, including true/false, multiple choice, and provocative discussion questions. Each chapter also provides a glossary of key terms and, in addition to references, annotated suggestions for further reading and Web site exploration. This book will be a resource to which students and trainees will go on referring to long after it has helped them through their examinations. In addition, faculty and established professionals will find it a useful one-stop summary of current thinking about best practice.

**A Woman's Guide to Overcoming Sexual Fear & Pain Aurelie Jones Goodwin 1997** Explores the reasons for sexual disorders and advises when professional help is necessary

**Innovating Christian Education Research Johannes M. Luetz 2021-01-04** This book reformulates Christian education as an interdisciplinary and interdenominational vocation for professionals and practitioners. It speaks directly to a range of contemporary contexts with the aim of encouraging conceptual, empirical and practice-informed innovation to build the field of Christian education research. The book invites readers to probe questions concerning epistemologies, ethics, pedagogies and curricula, using multidisciplinary research approaches. By helping thinkers to believe and believers to think, the book seeks to stimulate constructive dialogue about what it means to innovate Christian education research today. Chapters are organised into three main sections. Following an introduction to the volume's guiding framework and intended contribution (Chapter 1), Part 1 features conceptual perspectives and comprises research that develops theological, philosophical and theoretical discussion of Christian education (Chapters 2-13). Part 2 encompasses empirical research that examines data to test theory, answer big questions and develop our understanding of Christian education (Chapters 14-18). Finally, Part 3 reflects on contemporary practice contexts and showcases examples of emerging research agendas in Christian education (Chapters 19-24).

**Restoring the Pleasure Clifford Penner 2016-03-08** Do you need help restoring the pleasure to your marriage? Whether you've been married a day, a decade, or half a century, if your sexual relationship is marred by pain, tension, or disappointment—you are not alone. Thousands of couples struggle with sexual problems that keep their marriages from being all that God intended them to be. But there is hope! Now, sexual therapists and best-selling authors Joyce and Cliff Penner share their proven methods in this comprehensive, easy-to-follow book of detailed explanations, realistic anecdotes, and clearly written exercises. Providing the biblical basis for the sexual relationship, as well as helpful diagnostic aids, the Penners help you improve communication and educate yourselves about your God-given sexual response. Then they lead you step-by-step through creative (and fun) sexual-retraining assignments to help you overcome various problems. The Penners provide straightforward advice and reassuring encouragement to help you start restoring the pleasure to your marriage. Beginning counselors and pastors will also find this an invaluable resource for helping others overcome their sexual barriers.

**Addiction Howard Padwa 2010-01** Presents alphabetically-arranged entries covering major figures, organizations, events, and United States government policies covering a variety of addictive substances and addictive behaviors.

**Clinical Management of Sex Addiction Patrick Carnes 2013-06-17** This is the first comprehensive volume of the clinical management of sex addiction. Collecting the work of 28 leaders in this emerging field, the editors provide a long-needed primary text about how to approach treatment with these challenging patients. The book serves as an excellent introduction for professionals new to the field as well as serving as a useful reference tool. The contributors are literally the pioneers of one of the last frontiers of addiction medicine and sex therapy. With a growing awareness of sex addiction as a problem, plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation. This is the first book distilling the experience of the leaders in this emerging field. With a focus on special populations, it also becomes a handy problem-solving tool. Readable, concise, and filled with useful interventions, it is a key text for a problem clinicians must be able to identify. It is destined to be a classic reference.

**Out of the Shadows Patrick J Carnes 2009-06-21** Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, Out of the Shadows is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. Out of the Shadows is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies

the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

Violence Against Women Joan Nordquist 1992

Contrary to Love Patrick J Carnes 2009-09-29 This resource identifies the stages and progression of sex addiction, including assessment, intervention, and treatment methods. This resource identifies the stages and progression of sex addiction, including assessment, intervention, and treatment methods. It also covers family structure, bonding, boundaries, and recovery topics.

For Sex Education, See Librarian Martha Cornog 1996 An annotated bibliography includes information on the role of libraries in sex education

Silently Seduced Kenneth Adams 2011-09 When a parent singles out a child for special privileges and attention, that child is often unaware that the relationship is unhealthy even incestuous. As adults, these children struggle to feel validated, because while they have not been directly abused, they feel a sense of violation and crossed boundaries usually done in the name of 'love' and 'caring.' The parent's love feels more confining than freeing, more demanding than giving, more intrusive than nurturing. Yet these children suffer from what psychologist Kenneth Adams calls The Silent Seduction because there is nothing loving or caring about a close parent-child relationship that services the needs of the parent rather than the child.

The Everything Health Guide to Addiction and Recovery Linda L Simmons 2008-10-17 For the more than 27 million Americans currently battling an addiction, recognizing the problem and seeking treatment is a tremendous challenge. This guide helps addicts and their families understand the nature of the disease so they can get the help they need. Because so many suffer from overlapping addictions, this book addresses a wide range of addictions including alcohol, prescription drugs, food, sex, gambling, shopping, and smoking. Learn how to identify symptoms and causes, overcome social obstacles, decide on the right treatment program, avoid relapse, and more. With this book by their side, addicts will come to understand themselves and how to treat their addiction so they can live happy, healthy, substance-free lives!

Routledge International Handbook of Sexual Addiction Thaddeus Birchard 2017-09-11 The concept of sexual addiction has gained increasing recognition in the academic and healthcare communities since the 1990s. It has also captured the attention of the media, where there has been much debate over whether it can truly be described as an addiction. What is certain is that many people struggle with out of control sexual behaviour, which takes over their lives and has harmful consequences for their relationships, careers and finances. The Routledge International Handbook of Sexual Addiction brings together a comprehensive range of perspectives on sexual addiction from a worldwide selection of scholars and therapists. It sets out to define sexual addiction and to study its causes from a range of different psychological perspectives. A series of presentations of sexual addiction are outlined, including internet sexual addiction and the relationship between paraphilias and sex addiction. The handbook considers both individual and group treatment strategies, drawing on a wide range of approaches, including cognitive behavioural therapy, mindfulness and 12-step programmes. The book studies sex addiction in specific populations including women, adolescents and men who have sex with men. Finally, it considers some of the alternative discourses surrounding the concept of sexual addiction. This is the first comprehensive reference book to bring together global viewpoints on advances in research, theory and practice in one volume. This handbook provides an essential guide for academics and students of psychotherapy, counselling, nursing, addiction, sexualities, social work and health and social care, as well as professionals in practice and in training working with sexual addiction and related issues.

The Sexual Abuse Victim and Sexual Offender Treatment Planner Rita Budrionis 2012-06-26

Recovery Zone Volume 2 Patrick Carnes 2021-10-19 The process of therapy and treatment means stepping into an unfamiliar, new world with very different perspectives, processes and even its own language at times. The goal of this extraordinary world is to repair, restructure, and build the internal structures to cope with losses, trauma, dysfunction, toxic stress, and addiction. The first of the Recovery Zone series focuses on the often painful and difficult internal tasks for that transition. This first book in the series by Patrick Carnes is already regarded as a classic and has been a durable best seller for the past decade. The second volume is now here, and Dr. Carnes helps with the issue of "now that I know all of this, what do I do?" How to translate the inner transformation into my everyday world? I have discovered the real "me" but what does that mean for me to integrate ideas and skills with my relationships, work, values, lifestyle -- and be happy? Much has been written about overcoming trauma, grief, dysfunctional relationships and the sinkholes of the various addictions. The sequel of Recovery Zone provides real answers about how to stay in the zone when traumatic events, toxic stress, and easy access to escape surrounds you. The goal must be an "Ultimate To Do List" so you do not miss out on the life you want and feel a genuine call to do. Core to this platform is a resilience built on ten master skills and thirty operational strategies that users describing as "defining" passage into a new life. The joke about life being what happens when you are on the way to do something else, has little reality at the end of this second volume. Dr. Carnes is widely known for his personal sharing, his warm and engaging stories, and his ability to weave complex science into something that everyone can use. These materials have evolved with the help of over two thousand therapists and the experiences of many thousands of patients. Another vintage of classic Carnes's writing.

In the Shadows of the Net Patrick J Carnes 2009-07-30 The much-anticipated second edition of the breakthrough book about recovering from online sexual addiction. As the Internet becomes a more powerful, imposing force in our lives, indeed becoming difficult to avoid, the potential for related problems also increases. This includes troubles of a sexual nature. When accessing porn no longer requires even a trip to the store, when we can view and participate in sexual activities anonymously, when younger and younger children are being exposed to sex online, when virtual interactions take over, limiting and even destroying real-time relationships, we are in crisis. Compulsive online sexual behavior is a real and growing problem. Yet the situation is not without hope. For those who are seeing signs of significant online problems in themselves or a loved one, this updated second edition of In the Shadows of the Net provides answers, understanding, and tools for recovery. With the latest statistics, discussion of recent technologies and devices, and new thinking on developing a healthy relationship with the Internet and avoiding relapse, this book offers authoritative, professional advice for achieving lasting, healthy change and healing.

It's My Life Now Meg Kennedy Dugan 2002-09-11 First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

The Truth about Rape Teresa Lauer 2002 If you were raped, recently or even years ago, you know that desperate feeling of wanting to get your life back together. If it feels like everything is broken and you're all alone, this book is a safe and reliable guide to recovery.

Losing the Bond with God: Sexual Addiction and Evangelical Men Kailla Edger-Peoples 2011-04-07 Empirical research provides the basis for a comprehensive depiction of evangelical Christian men who self-identify as sexual addicts. • Direct quotes and stories from interviews with study participants • Diagrams of the Cycle of Sexual Addiction and the Life Worlds of the Evangelical Sexual Addict • Appendices covering: participant profiles, research design, data analysis, and the definitions of terms

A Gentle Path through the Twelve Steps Patrick J Carnes 2012-06-01 A revised and expanded edition of the recovery classic by Patrick Carnes, Ph.D., a leading expert on addictive behaviors. A revised and expanded edition of the recovery classic by Patrick Carnes, Ph.D., a leading expert on addictive behaviors. The Twelve Steps tap into the essential human process of change and will be regarded as one of the intellectual and spiritual landmarks in human history. --Patrick Carnes It was out of his reverence and respect for the wisdom and therapeutic value of the Twelve Steps that Carnes wrote A Gentle Path through the 12 Steps, now a recovery classic and self-help staple for anyone looking for guidance for life's hardest challenges. Hundreds of thousands of people have found in this book a personal portal to the wisdom of

the Twelve Steps. With updated and expanded concepts and a focus on the spiritual principles that lead to lifelong growth and fulfillment, Carnes' new edition invites a fresh generation of readers to the healing and rewarding experience of Twelve Step recovery. 'A treasure chest, a rich and powerful resource for anyone working a Twelve Step program.' --Wendy Maltz, M.S.W. 'This book emphasizes the common themes at the heart of all Twelve Step fellowships and offers an especially clear explanation of what 'working the program' means.' --Claudia Black, Ph.D. Patrick J. Carnes, PhD, is the founder of the International Institute for Trauma and Addiction Professionals (IITAP) and Gentle Path Press. His extensive background in the field of addiction therapy led Dr. Carnes to develop multiple cutting-edge recovery programs aimed at treating addictive disorders. He serves as executive director of the Gentle Path Program, a residential treatment program for sexual addiction in Hattiesburg, Miss. With more than 30 years in the sexual addiction treatment field, Dr. Carnes continues to spread his extensive knowledge as a speaker, presenter and interview subject. His assessment tools and related materials deliver an unprecedented approach to addiction recovery for practitioners of addiction treatment and sexual addicts.

**Facing the Shadow** Patrick Carnes 2005 Dr. Carnes broke new ground with *Out of the Shadows*. *Facing the Shadows* continued that pioneering spirit as the first book to take techniques used by thousands of people recovering from sex addiction and show, step by step, how to break free of this disease and live a healthier, more fulfilling life. This second edition adds timely material on cybersex and new science about arousal. This work sets the stage for recovery tasks at hand, and then provides practical, easy-to-follow exercises specifically designed to help understand and address them. You'll learn: Why denial is so powerful and what can be done to break through it. How to face the consequences of your behaviors using recovery principles. How to respond to change and crisis due to addiction How to manage life without dysfunctional behavior How spirituality affects recovery What to disclose and to whom How does sex addiction start and what does an addict need to know

**Authentic Human Sexuality** Judith K. Balswick 2013-12-21 Sex pervades our culture, going far beyond the confines of the bedroom into the workplace, the church and the media. Yet despite all the attention and even obsession devoted to sex, human sexuality remains confusing and even foreboding. What, after all, is authentic human sexuality? That is the question Judith and Jack Balswick set out to answer in this wide-ranging and probing book. Informed by sociology, psychology and theology, the Balswicks investigate how human sexuality originates both biologically and socially, lay groundwork for a normative Christian interpretation of sexuality, show how authentic sexuality is necessarily grounded in relationships, and explore such forms of "inauthentic sexuality" as sexual harassment, pornography and rape. Since its first publication in 1999, *Authentic Human Sexuality* has established itself as a standard text at numerous colleges and seminaries. While maintaining the book's overall structure, this new paper edition offers updated discussions and bibliographies throughout, including a completely new chapter on sexual development throughout the human lifespan and a substantially revised chapter on sexual beings in relationship that incorporates a trinitarian theological perspective. A new generation of students, pastors, psychologists and sociologists engaged in counseling will be indebted to the Balswicks for this updated study of this endlessly fascinating and perplexing facet of human identity.

**Sexual Addiction: Understanding and Treatment** Paul Becker, MAEd, LPC 2015-02-23 The book *Sexual Addiction: Understanding and Treatment* introduces graduate-level students to the field of sexual addiction. Graduate schools seek a textbook that specifically addresses the dynamics of sex addiction to complete their counseling education curriculum. Some professors have indicated that there is a dearth of targeted instructional content. This book fills that need. As a compendium of Dr. Carnes' research related to the treatment of sexually addicted men and women, the book will serve as clinical manual for therapists. Therapists are invited to use the recovery program presented as an effective treatment regimen for sex addicts. Internet pornography addicts men and women who have a weakness for sexual stimulation. One estimate is that as much as half of the male population and a third of the female population are addicted to pornography. The need for a relevant clinical tool is real. As such, the book contains thirty-six therapeutic exercises to help sexually addicted men and women, in conjunction with sex addiction therapy, to achieve long-term sexual sobriety.

**Free of the Shadows** Caren Adams 1989 Describes the emotional problems faced by rape victims, tells how to handle the reactions of friends and family, and suggests a path to recovery.

**The Quick-Reference Guide to Addictions and Recovery Counseling** Dr. Tim Clinton 2013-10-15 The newest addition to the popular Quick-Reference Guide collection, *The Quick-Reference Guide to Addictions and Recovery Counseling* focuses on the widespread problem of addictions of all kinds. It is an A-Z guide for assisting pastors, professional counselors, and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations. Each of the forty topics covered follows a helpful eight-part outline and identifies (1) typical symptoms and patterns, (2) definitions and key thoughts, (3) questions to ask, (4) directions for the conversation, (5) action steps, (6) biblical insights, (7) prayer starters, and (8) recommended resources.

**Shepherding Women in Pain** Beverly Hislop 2010-04-01 Infertility, divorce, domestic violence, eating disorders...all have become part of a day's work for women and men in ministry to women. Yet, most are not prepared for this aspect of ministering to women in real pain over real issues. Designed to give leaders and care givers greater understanding, insights for shepherding, and referral resources, *Shepherding Women in Pain* is a compilation from contributors who have expertise and experience with women on the given issue. For example Stacey Womack, founder and executive director of Abuse Recovery Ministry & Services, wrote the chapter on domestic violence and Kimberley Davidson, founder of Olive Branch Outreach, authored the chapter discussing eating disorders. The reader will be provided concise, practical, and grace-infused information designed to help women deal constructively with the trauma of their life experiences. This book will serve as a key resource--read and re-read often--to those who serve women in pain.

**Sexuality and Sex Therapy** Mark A. Yarhouse 2014-03-07 The field of human sexuality is one of ever-increasing complexity, particularly for Christian therapists and psychologists seeking to be faithful to Scripture, informed by science and sensitive to culture. Mark Yarhouse and Erica Tan offer a survey and appraisal of this field from a Christian perspective, which grounds sex therapy in the biblical affirmation of physicality and the redemptive purposes of human life.

**Out of the Shadows** Patrick Carnes 2001 *Out of the Shadows* Third Edition

**Sexual Compulsives** Anonymous *Sexual Compulsives* Anonymous 2002-01-01 "The Little Blue Book" describes the program of SCA. It is written by members and includes the 12 Steps/12 Traditions adapted from Alcoholics Anonymous, 14 Characteristics we have in common, The Tools that Help us Get Better and chapters on Sobriety / Recovery Plans, Sponsorship, Service, what happens at Meetings, how to avoid slips, masturbation, shame and a brief history of the program followed by some useful prayers and meeting formats.

**Wired for Intimacy** William M. Struthers 2010-01-15 Neuroscientist and researcher William Struthers explains how pornography affects the male brain and what we can do about it. Exposing false assumptions, casting a vision for a redeemed masculinity and offering insights for both married and single men alike, this book offers hope for freedom from pornography and sanctification in our bodies.

**Co-Dependence Healing the Human Condition** Charles Whitfield 2010-01-01 Of all the books on the often misunderstood concept of co-dependence, this is probably the clearest, most complete and informative. Charles Whitfield is a frontline clinician who has been assisting co-dependents in their healing for over twenty years. He has researched the literature on co-dependence, which he summarizes in this widely read book. He sees co-dependence as a way to more accurately describe the painful and confusing part of the human condition. In careful detail he describes just what co-dependence is and what it is not, how it comes about, and how to heal its painful aftereffects.

**The Sexual Abuse Victim and Sexual Offender Treatment Planner, with DSM 5 Updates** Arthur E. Jongsma, Jr. 2015-03-16 This timesaving resource features: Treatment plan components for 27 behaviorally based presenting problems Over 1,000 prewritten treatment goals, objectives, and interventions—plus space to record your own treatment plan options A step-by-step guide to writing treatment plans that meet

the requirements of most insurance companies and third-party payors The Sexual Abuse Victim and Sexual Offender Treatment Planner provides all the elements necessary to quickly and easily develop formal treatment plans that satisfy the demands of HMOs, managed care companies, third-party payors, and state and federal review agencies. Saves you hours of time-consuming paperwork, yet offers the freedom to develop customized treatment plans for clients who are sexual abuse victims and/or sexual offenders Organized around 27 main presenting problems, including such offender issues as anger difficulties, deviant sexual arousal, and legal issues; such victim issues as eating disorders, self-blame, and social withdrawal; and such offender and victim issues as family reunification and self-esteem and stress-management deficits Over 1,000 well-crafted, clear statements describe the behavioral manifestations of each relational problem, long-term goals, short-term objectives, and clinically tested treatment options Easy-to-use reference format helps locate treatment plan components by behavioral problem Includes a sample treatment plan that conforms to the requirements of most third-party payors and accrediting agencies (including HCFA, JCAHO, and NCQA)

Trust After Trauma Aphrodite Matsakis 1998 Examines the feelings of loneliness and mistrust suffered by trauma survivors, explores how these feelings affect personal relationships, and suggests ways of negotiating and coping with the trauma for improved relationships

Handbook of Nursing Diagnosis Lynda Juall Carpenito 2021-12-10 "This handbook offers practical guidance on nursing diagnoses and associated care. It is a quick-reference type scope of content, easy for students to use while in clinical, in the classroom or simulation lab. It provides a condensed, organized outline of clinical nursing practice designed to communicate creative clinical nursing. It is not meant to replace nursing textbooks, but rather to provide nurses who work in a variety of settings with the information they need without requiring a time-consuming review of the literature. It will assist students in transferring their theoretical knowledge to clinical practice"--

Facing the Shadow Patrick Carnes 2001 This text takes techniques used by thousands of people recovering from sex addiction and shows, in a step-by-step manner, how to break free of this disease and live a healthier, more fulfilling life. Each of this hope-filled workbook's chapters sets the stage for the recovery tasks at hand, before providing practical, easy-to-follow exercises specifically designed to help understand and address them. Topics covered include: why denial is so powerful and what can be done to counter it; how to face the consequences of behaviour using recovery principles; how to respond to change and crisis; how to manage life without dysfunctional behaviour; and how spirituality and recovery are interwoven.

Toughest People to Love Chuck DeGroat 2014-05-29 People -- frustrating, confusing, disappointing, complicated -- are the most difficult part of leadership, and they challenge leaders everywhere, from leaders of many to managers of a few. In this book Chuck DeGroat addresses the flawed nature of people and offers wisdom for leaders of all types in dealing with just about anyone who is difficult to lead and to love. Toughest People to Love explores the basics of how people "tick," encouraging leaders to examine and take care of themselves so that they can better understand and care for others. Based on DeGroat's wealth of experience as a pastor, professor, and therapist, this book -- both wise and practical -- is one that countless leaders will go back to time and again for valuable insights and renewed vision.

Treatment Strategies for Substance Abuse and Process Addictions Robert L. Smith 2015-03-05 This distinctive and timely text examines the most prevalent substance and process addictions and focuses on current research and evidence-based treatment strategies. Major substance addictions discussed include alcohol, tobacco, marijuana, methamphetamines, and prescription drugs. Complete chapters are also devoted to the most frequently cited process addictions, making this text unique. Behavioral addictions covered in this text include pathological gambling, sex disorders, disordered eating, work, exercise, shopping, and Internet/gaming. Each chapter contains a listing of student learning outcomes, a case study with reflective questions, techniques for assessment and diagnosis, inpatient and outpatient treatment approaches, and resources for further study. With its emphasis on treatment strategies, this text can be used by practitioners as well as by professors in the classroom in introductory courses in addictions or in subsequent courses that focus on treatment strategies. \*Requests for digital versions from the ACA can be found on [wiley.com](http://wiley.com). \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to [permissions@counseling.org](mailto:permissions@counseling.org).

Recovering from Sexual Abuse, Addictions, and Compulsive Behaviors Carlton Munson 2014-01-02 Explore the connection between sexual victimization, addiction, and compulsive behaviors! This book demonstrates clearly what lengths survivors of sexual abuse will go to in attempting to avoid dealing with the pain resulting from their sexual abuse. Anyone who has been sexually abused is likely to have one of the addictions or compulsive behaviors described herein. The information in Recovering from Sexual Abuse, Addictions, and Compulsive Behaviors regarding codependency is especially useful to survivors of sexual abuse who now find themselves in abusive relationships. Survivors of abuse who have gone without treatment sometimes become either sexual perpetrators or sexual addicts and may experience many different types of psychological dysfunction. Recovering from Sexual Abuse, Addictions, and Compulsive Behaviors examines issues that survivors often have regarding: trust and friendship sexuality and sexual addiction marriage and family religious addiction as opposed to spirituality alcohol and substance abuse workaholism weight issues and eating disorders violence as the result of shame, fear, and depression caused by abuse Recovering from Sexual Abuse, Addictions, and Compulsive Behaviors is more than a litany of the problems that survivors face. This valuable work will show you: HOW the survivor came to employ addictive or compulsive behaviors WHY the survivor continues to employ these self-abusive behaviors despite the pain caused by the addiction WHAT the survivor needs to do to aid recovery WHERE the survivor can turn to obtain the help that is needed to recover from addictive or compulsive behaviors With its complete bibliography and up-to-date information on sexual abuse, addictions, and compulsive behaviors, Recovering from Sexual Abuse, Addictions, and Compulsive Behaviors will show you the full course of sexual abuse and its aftermath, bringing you from the beginnings of sexual abuse through the steps that lead to addiction and compulsion, and ultimately, recovery.
