Lace Shirley Conran 2012-07-19 WHICH ONE OF YOU BITCHES IS MY MOTHER? 1980. In Manhattan's most exclusive hotel, four friends come face to face with a young, mega-watt film star. She has a question for them that has brought her from the streets of Paris to the playgrounds of the rich and famous - and it has almost destroyed her. . . Kate, Maxine, Judy and Pagan have soared to the top in fashion, PR and interior design. Now they are forced to look back at their lives: their wicked behaviour at school, the building of careers and the breaking of hearts. These women have never questioned their friendship, but now they must answer to Lili. Lace is the book that every mother kept hidden from her daughter. Originally published in 1982, it is the debut novel from the million-copy bestselling author of Superwoman.

Revitalising Historic Urban Quarters Tim Heath 2013-09-13 This book synthesizes urban design and urban regeneration by examining the revitalization of a number of historic urban quarters. Its focus is on quarters or areas where there is a significant number of historic buildings concentrated in a small area; with places and area-based approaches. Many cities have such quarters that confer on them a sense of place and identity through their historic continuity and cultural associations. The quarters are often an integral element of the city's image and identity. The lessons and observations from the experience of the revitalization of such historic urban quarters forms the core of this book with a number of case study examples from North America and Europe showing a variety of approaches to and outcomes of revitalization.

New York Magazine 1984-02-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Lace Shirley Conran 1986 Contains "Lace" and "Lace II".

Urban Design: Method and Techniques Rafael Cuesta 2012-09-11 This book deals with a wide range of techniques used in the urban design process. It then goes on to relate these techniques to a unique, comprehensive account of method. A method of urban design is developed which has sustainability and environmental protection at the centre of its philosophy. Previously, literature regarding the urban design method has been almost totally neglected; this book introduces the topic to the reader. This revised Second Edition encompasses the latest techniques including the development of geographic information systems and financial techniques which help evaluate projects. A number of techniques are illustrated by example or case study. Where techniques are discussed they are located within the structure of the design process. The book develops a logical framework for a process, which includes problem definition, survey, analysis, concept generation, evaluation and implementation. It is this framework which leads toward the development of an urban design method. This book is a practical guide for students or professionals in the early part of their careers. It is organized so that each chapter provides guidance which readers would have otherwise had to discover for themselves, often with some difficulty.

Blush Jamie Brenner 2021-06-22 From acclaimed author Jamie Brenner comes a stunning new novel about three generations of women who discover that the scandalous books of their past may just be the key to saving their family's future. For decades, the Hollander Estates winery has been the premier destination for lavish parties and romantic day trips on the North Fork of Long Island. But behind the lush vineyards and majestic estate house, the Hollander family fortunes have suffered and the threat of a sale brings old wounds to the surface. For matriarch Vivian, she fears that this summer season could be their last—and that selling their winery to strangers could expose a dark secret she's harbored for decades. Meanwhile, her daughter, Leah, who was turned away from the business years ago, finds her marriage at a crossroads and returns home for a sorely needed escape. And granddaughter Sadie, grappling with a crisis of her own, runs to the vineyard looking for inspiration. But when Sadie uncovers journals from Vivian's old book club dedicated to scandalous novels of decades past, she realizes that this might be the distraction they all need. Reviving the "trashy" book club, the Hollander women find that the stories hold the key to their fight not only for the vineyard, but for the life and love they've wanted all along. Blush is a bighearted story of love, family, and second chances, and an ode to the blockbuster novels that have shaped generations of women.

The Call Me Ishmael Phone Book Logan Smalley 2020-10-13 For fans of My Ideal Bookshelf and Bibliophile, The Call Me Ishmael Phone Book is the perfect gift for book lovers everywhere: a quirky and entertaining interactive guide to reading, featuring voicemails, literary Easter eggs, checklists, and more, from the creators of the popular multimedia project. The Call Me Ishmael Phone Book is an interactive illustrated homage to the beautiful ways in which books bring meaning to our lives and how our lives bring meaning to books. Carefully crafted in the style of a retro telephone directory, this guide offers you a variety of unique ways to connect with readers, writers, bookshops, and life-changing stories. In it, you'll discover... -Heartfelt, anonymous voicemail messages and transcripts from real-life readers sharing unforgettable stories about their most beloved books. You'll hear how a

mother and daughter formed a bond over their love for Erin Morgenstern's *The Night Circus*, or how a reader finally felt represented after reading Gene Luen Yang's *American Born Chinese*, or how two friends performed Mary Oliver's *Thirst* to a grove of trees, or how Anne Frank inspired a young writer to continue journaling. -Hidden references inside fictional literary adverts like Ahab's *Whale Tours* and Miss Ophelia's *Psychic Readings*, and real-life literary landmarks like Maya Angelou *City Park* and the *Edgar Allan Poe House & Museum*. -Lists of bookstores across the USA, state by state, plus interviews with the book lovers who run them. -Various invitations to become a part of this book by calling and leaving a bookish voicemail of your own. -And more! Quirky, nostalgic, and full of heart, *The Call Me Ishmael Phone Book* is a love letter to the stories that change us, connect us, and make us human.

The SAGE Handbook of Feminist Theory Mary Evans 2014-08-12 At no point in recorded history has there been an absence of intense, and heated, discussion about the subject of how to conduct relations between women and men. This Handbook provides a comprehensive guide to these omnipresent issues and debates, mapping the present and future of thinking about feminist theory. The chapters gathered here present the state of the art in scholarship in the field, covering: Epistemology and marginality Literary, visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace. The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been (and are) organized. The authors bring a shared commitment to the critical appraisal of gender relations, as well as a recognition that to think 'theoretically' is not to detach concerns from lived experience but to extend the possibilities of understanding. With this focus on theory and theorizing about the world in which we live, this Handbook asks us, across all disciplines and situations, to abandon our taken-for-granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism. It is an essential reference work for advanced students and academics not only of feminist theory, but of gender and sexuality across the humanities and social sciences.

Urban Design Cliff Moughtin 2003 Dealing with a wide range of techniques used in the urban design process, this book is invaluable for architecture, planning, landscape and surveying students and will also help professionals in day-to-day practice. The latest techniques are included in this edition.

Urban Design: Method and Technique Rafael Cuesta 2007-07-11 This book deals with a wide range of techniques used in the urban design process. It is invaluable for architecture, planning, landscape and surveying students and will also help professionals in the day to day practice. A method of urban design is developed which has sustainability and environmental protection at the centre of its philosophy. Previously, literature regarding the urban design method has been almost totally neglected; this book introduces the topic to the reader. A number of techniques are illustrated by example or case study. Where techniques are discussed they are located within the structure of the design process. The book develops a logical framework for a process, which includes problem definition, survey, analysis, concept generation, evaluation and implementation. It is this framework which is presented here as a discourse towards the development of an urban design method. This book is a practical guide, one that the authors themselves would have found useful as students or in the early years of their professional careers. It is organized so that each chapter provides guidance which hitherto, students and practitioners in this field have had to discover for themselves, often with some difficulty, since methods and techniques for urban design is a broad topic thinly spread in published form.

Holding Tight, Letting Go Sarah Hughes 2022-03-31 'Too often we minimise the reality of terminal cancer, concentrating instead on survival records and talking only in positive pink ribbon terms. But what of those who live daily with the shadow of the disease? This is a book about how that feels. It is about how to die as much as about how to live; yet it is also life-affirming, funny and shot through with hope.' Life is full of small details that we tuck away somewhere to revisit when we need them most: the calming sound of the sea, that childlike joy when you feel the sun hit your face on an early February morning. These small details knitted together, make up our perfect, ordinary lives. Few understood the importance of these more than Sarah Hughes, who lived with terminal metastatic cancer for over three years and who died in April 2021. This book is a celebration of everything that can make up a life, and how to hold it all close: how to cherish the perspective-changing, exhale-bringing perspective of a trashy novel; how to find the upside of chemo (finally being able to fit into flippy french tea dresses); how to explore the intimate topography of a body that's yours and yours alone. For fans of Matt Haig and Maggie O'Farrell, this is a tender word-of-mouth bestseller: the sort of book you'll press into the hands of your friends, family and a stranger in a bookshop.

Savages Shirley Conran 2012-12-13 When a group of mining executives bring their wives to the South Pacific paradise of Paui, vacation is not on their minds. Having found rare minerals on the island, they are determined to strike a swift deal for mining rights. While their husbands visit a copper mine, the women explore the beautiful coast by luxury yacht. On the return trip, the yacht breaks down and they are forced to finish the journey on foot. But as they near the hotel, their pleasure trip becomes a nightmare. The panic-stricken women tear back to the jungle, where they learn survival tricks from the ship's captain. The once-shy Annie is nominated leader of the rest: Silvana, a wealthy, distant matron; the athletic, high-strung Patty; outspoken Carey; and Suzy, a sensuous, spoiled child. As misfortune rains down on the group, opportunity also has a way of magically appearing as the castaways battle jungle, cannibalistic natives and their own frightening desires with a gritty determination that belies their pampered pasts. And only Harry, tough Australian mining executive, refuses to believe the lost women are dead and, driven by his love for one of the women, starts a search . . .

Liefde van haar leven Harriet Evans 2009-10-31 De Londense Kate Miller lijkt in niets meer op de ietwat sukkelige tiener van vroeger. Ze heeft een geslaagde carrière bij een glossy, plannen voor een geweldige bruiloft en een leuke huisgenoot. Maar op een dag stort haar leven in op een dramatische, pijnlijke en onomkeerbare manier. Kate verbrandt al haar schepen achter zich. Ze vlucht naar New York, waar ze haar tijd vult met een suf baantje. Ze moet terug naar Londen als haar vader ernstig ziek wordt. Daar voert ze lastige gesprekken met hem, wandelt ze met haar bejaarde bovenbuurman, en ontmoet ze ook haar vroegere vrienden weer Zoe, Francesca en Mac. Allemaal zijn ze door die ene dag voor altijd met elkaar verbonden, die ene dag waarop alles voorgoed veranderde. En Kate merkt dat ze zich niet meer wil verstoppen voor alles en iedereen en zeker niet voor Mac.

Bestsellers: Popular Fiction Since 1900 Clive Bloom 2022-01-03 This book charts the publishing industry and bestselling fiction from 1900, featuring a comprehensive list of all bestselling fiction titles in the UK. This third edition includes a new introduction which features additional information on current trends in reading including the rise of Black, Asian and LGBTQIA+ publishing; the

continuing importance of certain genres and up to date trends in publishing, bookselling, library borrowing and literacy. There are sections on writing for children, on the importance of audiobooks and book clubs, self-published bestsellers as well as many new entries to the present day including bestselling authors such as David Walliams, Peter James, George R R Martin and far less well known authors whose books sell in their thousands. This is the essential guide to best-selling books, authors, genres, publishing and bookselling since 1900, providing a unique insight into more than a century of entertainment, and opening a window into the reading habits and social life of the British from the death of Queen Victoria to the Coronavirus Pandemic.

The Literary Review 1985

The Feminist Bestseller Imelda Whelehan 2017-03-16 Imelda Whelehan provides an overview of popular women's writing from the late 1960s to the present, looking at how key feminist texts such as *The Women's Room*, *Kin flicks* and *Fear of Flying* have influenced popular contemporary fiction such as *Bridget Jones' Diary* and *Sex and the City*. Whelehan reconsiders the links between the politics of feminist thought, action and writing and creative writing over the past 30 years and suggests that even so-called 'post feminist' writing owes an enormous debt to feminism's second wave.

Lace Il Shirley Conran 2012-07-24 Four elegant, successful, and sophisticated women in their forties are called to New York's Pierre Hotel to meet Lili—a beautiful, young, and notoriously temperamental Hollywood movie star. None of the women knows exactly why she is there; each has a reason to hate Lili and each of them is astonished to see the others. They are old friends who share a guilty secret and who have for years been doing their best to keep that secret quiet. Their lives are changed forever, however, when Lili suddenly confronts them. When the women refuse to answer her, Lili proceeds to travel around the world through the playgrounds of the rich and famous, seeking to answer the question that has obsessed and almost destroyed her. From Paris to London, from the boardroom to the bedroom, Lace takes readers into the rarified world of five unforgettable women who are as beautiful, as complex, and as strong as...lace.

Heartthrobs Carol Dyhouse 2017-02-09 What can a cultural history of the heartthrob teach us about women, desire, and social change? From dreams of Prince Charming or dashing military heroes, to the lure of dark strangers and vampire lovers; from rock stars and rebels to soulmates, dependable family types or simply good companions, female fantasies about men tell us as much about the history of women as about masculine icons. When girls were supposed to be shrinking violets, passionate females risked being seen as "unbridled," or dangerously out of control. Change came slowly, and young women remained trapped in double-binds. You may have needed a husband in order to survive, but you had to avoid looking like a gold-digger. Sexual desire could be dangerous: a rash guide to making choices. Show attraction too openly and you might be judged "fast" and undesirable. Education and wage-earning brought independence and a widening of cultural horizons. Young women in the early twentieth century showed a sustained appetite for novel-reading, cinema-going, and the dancehall. They sighed over Rudolph Valentino's screen performances, as tango-dancer, Arab tribesman, or desert lover. Contemporary critics were sniffy about "shop-girl" taste in literature and in men, but as consumers, girls had new clout. In *Heartthrobs*, social and cultural historian Carole Dyhouse draws upon literature, cinema, and popular romance to show how the changing position of women has shaped their dreams about men, from Lord Byron in the early nineteenth century to boy-bands in the early twenty-first. Reflecting on the history of women as consumers and on the nature of fantasy, escapism, and "fandom," she takes us deep into the world of gender and the imagination. A great deal of feminist literature has shown women as objects of the "male gaze": this book looks at men through the eyes of women.

Cultural Studies Lawrence Grossberg 2005-08-08 First published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

The Fashion Conspiracy Nicholas Coleridge 2012-06-30 From the catwalks of Paris to the sweatshops of South Korea; from Seventh Avenue glitz to Tokyo new-wave... The sophisticated brokings of the fashion conspiracy have generated a powerful new force in the world economy; designer money. Nicholas Coleridge presents a fascinating portrait of the jet-setting matrons who are the gurus and tyrants of the fashion press; of fashion legends like Paloma Picasso and Tina Chow; of the top store buyers who command \$700 million a season. He probes the incredible world of the designer billionaires like Ralph Lauren, Calvin Klein and Yves St Laurent whose fashion empires are richer than entire Third World countries. Here are the jealousies, the glamour, the buccaneering, the espionage and the razzmatazz in a witty and penetrating guide to an extraordinary world.

Women's Fiction 1945-2005 Deborah Philips 2007-11-01 Organised around each decade of the post war period, this book analyses novels written by and for women from 1945 to the present. Each chapter identifies a specific genre in popular fiction for women which marked that period and provides case studies focusing on writers and texts which enjoyed a wide readership. Despite their popularity, these novels remain largely outside the 'canon' of women's writing, and are often unacknowledged by feminist literary criticism. However, these texts clearly touched a nerve with a largely female readership, and so offer a means of charting the changes in ideals of femininity, and in the tensions and contradictions in gender identities in the post-war period. Their analysis offers new insights into the shifting demands, aspirations and expectations of what a woman could and should be over the last half century. Through her analysis of women's writing and reading, Philips sets out to challenge the distinction between 'popular' and 'literary' fiction, arguing that neat categories such as 'popular', 'middle brow' and 'serious fiction' need more careful definition.

Appendix to the Journals of the Senate and Assembly ... of the Legislature of the State of California ... California 1891

Women's Fiction Deborah Philips 2014-06-19 Now in its second edition and with new chapters covering such texts as Elizabeth Gilbert's *Eat, Pray, Love* and 'yummy mummy' novels such as Allison Pearson's *I Don't Know How She Does It*, this is a wide-ranging survey of popular women's fiction from 1945 to the present. Examining key trends in popular writing for women in each decade, *Women's Fiction* offers case study readings of major British and American writers. Through these readings, the book explores how popular texts often neglected by feminist literary criticism have charted the shifting demands, aspirations and expectations of women in the 20th and 21st centuries.

Image and Power Sarah Sceats 2014-09-11 *Image and Power* is an important work of literary and cultural criticism. This collection of essays focuses on some of the major issues addressed by women's writing in the twentieth century, concerning genre, subjectivity and social and cultural expectations, issues which in the past have been regarded from an essentially male perspective. The text introduces women writers whose novels have been widely read and provides an important contribution to the debate about women in literature.

Bestsellers: Popular Fiction since 1900 C. Bloom 2002-07-09 This guide and reference work of all of the bestselling books, authors

and genres since the beginning of the 20th century, provides an insight into over 100 years of publishing and reading as well as taking us on a journey into the heart of the British imagination.

How to Write Like Tolstoy Richard Cohen 2016-05-17 A thought-provoking journey inside the minds of the world's most accomplished storytellers, from Shakespeare to Stephen King NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SPECTATOR • "Richard Cohen's book acted as a tonic to me. It didn't make me more Russian, but it fired up my imagination. I have never annotated a book so fiercely."—Hilary Mantel "There are three rules for writing a novel," Somerset Maugham is said to have said. "Unfortunately, no one knows what they are." How then to bring characters to life, find a voice, kill your darlings, or run that most challenging of literary gauntlets, writing a sex scene? What made Nabokov choose the name Lolita? Why did Fitzgerald use firstperson narration in *The Great Gatsby*? How did Kerouac, who raged against revision, finally come to revise *On the Road*? Veteran editor and author Richard Cohen takes us on an engrossing journey into the lives and minds of the world's greatest writers, from Honoré de Balzac and George Eliot to Virginia Woolf and Zadie Smith—with a few mischievous detours to visit Tolstoy along the way. In a scintillating tour d'horizon, Cohen lays bare the tricks, motivations, and techniques of the literary greats, revealing their obsessions and flaws and how we can learn from them along the way.

Blurb Your Enthusiasm Louise Willder 2022-09-01 'The bookiest book about books you'll ever read – I loved it' Lucy Mangan 'Truly delightful...I couldn't have had more fun' Benjamin Dreyer 'Very funny, erudite and profound. A delight!' Nina Stibbe This is the outside story of books. From blurbs to titles, quotes to (checks jacket) cute animal designs – via author feuds, writing tricks, classic literature, bonkbusters, plot spoilers and publishing secrets – discover why it's good to judge a book by its cover. Maybe even this one...

Lace Shirley Conran 2012-08-01 "Which one of you bitches is my mother?" Four elegant, successful, and sophisticated women in their forties are called to New York's Pierre Hotel to meet Lili - a beautiful, young, and notoriously temperamental Hollywood movie star. None of the women knows exactly why she is there; each has a reason to hate Lili and each of them is astonished to see the others. They are old friends who share a guilty secret and who have for years been doing their best to keep that secret quiet. Their lives are changed forever, however, when Lili suddenly confronts them. When the women refuse to answer her, Lili proceeds to travel around the world through the playgrounds of the rich and famous, seeking to answer the question that has obsessed and almost destroyed her. LACE, Shirley Conran's frank, scandalous novel, follows a group of women, from adolescence to adulthood, as they negotiate the world of work, broken engagements, heartbreak and lasting friendship.
