In het beloofde land Sebastian Barry 2011-08-30 Na de zelfmoord van haar enige kleinkind, Bill, heeft Lilly Dunne niet veel meer om voor te leven maar voor ze sterft, wil ze haar eigen verleden te boek stellen. Samen met Lilly gaan we terug in de tijd, van Ierland naar de Verenigde Staten, van haar gedesilluseerde vader naar haar spoorloos verdwenen echtgenoot, van jarenlang verraad naar langzaam opbloeiende liefde. Sebastian Barry werkt gestaag voort aan een reeks onafhankelijk van elkaar te lezen romans waarin hij de familie Dunne op de voet volgt en zo de twintigste-eeuwse geschiedenis van Ierland en de Ieren in kaart brengt.

Reading Assessment and Instruction for All Learners Jeanne Shay Schumm 2017-02-13 Weaving together the latest knowledge and best practices for teaching children to read, this indispensable text and professional resource provides a complete guide to differentiated instruction for diverse learners.

Uniquely integrative, the book places the needs of English language learners and students with disabilities front and center instead of treating them as special topics. Accessible chapters on each of the core components of literacy clearly demonstrate how to link formal and informal assessment to evidence-based instruction. Special features include Research Briefs, Tech Tips, Internet Resources, Reflection and Action Questions, and dozens of reproducible student activities and assessment tools.

Karen Cushman Susanna Daniel 2005-12-15 This appealing book presents an in-depth look at one of the most popular authors of historical fiction for young adults. Cushman, who won the prestigious Newbery Medal for *The Midwife's Apprentice*, and a Newbery Honor for *Catherine Called Birdy*, is most recognized for her strong and independent-minded female protagonists, most of whom lived in the Middle Ages. Included are lists of published titles, awards received, source notes, a biographical timeline, and an interview with the author.

Psychotherapy and the Social Clinic in the United States William M. Epstein 2019-12-07 This book offers a compelling critical analysis of American society by examining the role of psychotherapy within social policy and the culture that has fashioned it. It takes a deeply critical look at 'the social clinic,' defined here as a ubiquitous organizational arrangement that includes clinical and community psychology, counseling, clinical social work, psychiatry, much of the self-help industry, complementary and alternative medicine and others. Epstein's analysis concludes that the social clinic lacks credible evidence of effectiveness and its continued popularity expresses popular but predatory American values such as romantic individualism, the triumph of the subjective, a sense of personal and political chosenness, persistent bigotry, and a preference for tribal as opposed to civic identities. This careful examination of American society through the lens of psychotherapeutic practice characterizes the social clinic as a soothing fiction of the United States. The book offers caring services as the unrealized alternative to clinical treatment, capable of achieving greater personal adjustment as well as social and economic equality. It will appeal to readers with an interest in social welfare, public policy, and public administration, as well as to students and scholars of psychotherapy, counseling, social work, rehabilitation, and community psychology.

Children's Book Prizes Ruth Allen 2019-01-22 First published in 1998, this book is the first comprehensive survey of the awards made to children's books in the English-speaking world. The Volume covers nearly forty different prizes including well-known and established ones such as the Newbery Award, prizes instigated by the commercial sector such as the Smarties Prize, as well as nationally sponsored awards and prizes for illustrators. Detailed lists are provided of the winning titles and, where appropriate, the runners-up in each year that the award has been given. Ruth Allen also presents some fascinating and often entertaining insights into the motivations behind awards and how they are views by authors, illustrators, publishers, librarians, booksellers and potential purchasers. The various criteria applied by judges of these awards are also examined, with an assessment of whether they have always achieved the 'right' result. This Volume is both a useful guide for adults wishing to buy good books for children and an important tool for those researching the history of the children's book industry.

De kindertrein Christina Baker Kline 2014-03-07 Wanneer de negentigjarige Vivian Daly de zolder van haar landhuis wil opruimen, krijgt ze hulp van de zeventienjarige, tegendraadse Molly. De zolder blijkt vol te liggen met aandenkens aan Vivians turbulente leven, van een oude kinderjas tot brieven van haar

grote liefde. Ze begint te vertellen over haar arme Ierse familie, die per boot naar New York vertrok en daar omkwam bij een brand. Vivian bleef als wees achter en werd kort daarop met de kindertrein naar het Midden-Westen gebracht, omdat daar een beter leven zou wachten. Niets was minder waar. Ademloos luistert Molly naar haar verhaal en ze ontdekt dat haar leven en dat van Vivian meer op elkaar lijken dan ze ooit had gedacht. Met *De kindertrein* heeft Christina Baker Kline een krachtige roman geschreven over weerbaarheid, nieuwe kansen en onverwachte vriendschap. *De kindertrein* is een ontroerende pageturner over twee vrouwen op zoek naar een thuis. Publishers Weekly Tussen 1854 en 1929 reden er zogenoemde kindertreinen vanuit de steden aan de oostkust naar het Midden-Westen, met duizenden wezen aan boord wiens lot slechts bepaald werd door het toeval.

The guide includes many suggested exercises and reflective questions.

Escape from Saigon Andrea Warren 2008-09-02 An unforgettable true story of an orphan caught in the midst of war Over a million South Vietnamese children were orphaned by the Vietnam War. This affecting true account tells the story of Long, who, like more than 40,000 other orphans, is Amerasian -- a mixed-race child -- with little future in Vietnam. Escape from Saigon allows readers to experience Long's struggle to survive in war-torn Vietnam, his dramatic escape to America as part of "Operation Babylift" during the last chaotic days before the fall of Saigon, and his life in the United States as "Matt," part of a loving Ohio family. Finally, as a young doctor, he journeys back to Vietnam, ready to reconcile his Vietnamese past with his American present. As the thirtieth anniversary of the end of the Vietnam War approaches, this compelling account provides a fascinating introduction to the war and the plight of children caught in the middle of it.

Under Siege! Andrea Warren 2009-04-27 Meet Lucy McRae and two other young people, Willie Lord and Frederick Grant, all survivors of the Civil War's Battle for Vicksburg. In 1863, Union troops intend to silence the cannons guarding the Mississippi River at Vicksburg -- even if they have to take the city by siege. To hasten surrender, they are shelling Vicksburg night and day. Terrified townspeople, including Lucy and Willie, take shelter in caves -- enduring heat, snakes, and near suffocation. On the Union side, twelve-year-old Frederick Grant has come to visit his father, General Ulysses S. Grant, only to find himself in the midst of battle, experiencing firsthand the horrors of war. "Living in a cave under the ground for six weeks . . . I do not think a child could have passed through what I did and have forgotten it." -- Lucy McRae, age 10, 1863 Period photographs, engravings, and maps extend this dramatic story as award-winning author Andrea Warren re-creates one of the most important Civil War battles through the eyes of ordinary townspeople, officers and enlisted men from both sides, and, above all, three brave children who were there.

Orphan Train Rider Andrea Warren 1996 Discusses the placement of over 200,000 orphaned or abandoned children in homes throughout the Midwest from 1854 to 1929 by recounting the story of one boy and his brothers.

A History of Children's Play and Play Environments Joe L. Frost 2009-12-07 Children's play throughout history has been free, spontaneous, and intertwined with work, set in the playgrounds of the fields, streams, and barnyards. Children in cities enjoyed similar forms of play but their playgrounds were the vacant lands and parks. Today, children have become increasingly inactive, abandoning traditional outdoor play for sedentary, indoor cyber play and poor diets. The consequences of play deprivation, the elimination and diminution of recess, and the abandonment of outdoor play are fundamental issues in a growing crisis that threatens the health, development, and welfare of children. This valuable book traces the history of children's play and play environments from their roots in ancient Greece and Rome to the present time in the high stakes testing environment. Through this exploration, scholar Dr. Joe Frost shows how this history informs where we are today and why we need to re-establish play as a priority. Ultimately, the author proposes active solutions to play deprivation. This book is a must-read for scholars, researchers, and students in the fields of early childhood education and child development.

Train to Red Cloud Barbara Heise Grooman 1999-06-01 Young Sophie comes home from school to find that her brother and sister are gone without a trace. She begs her aunt Anna to tell her where they have gone but she refuses. Their mother had died just a few months earlier, their sickly baby sister had been sent away, their father had mysteriously disappeared and now this. Thus begins the story of a courageous little boy and two strong-willed sisters, determined to find one another. A Victorian novel? No. This is the true story of an Orphan Train Rider torn from those who loved him, and of the sisters he

left behind. Travel with Christian as the train carries him to Nebraska and a new life. Join Sophie as she searches for her sisters, brother and father, praying that she will find them and that they will be a family again. Theirs is a story that may anger you, cause you to cry, but ultimately warm your heart

It Happened in Michigan Colleen Burcar 2019-09-01 True Tales from the Great Lakes State's Past—from the pageant of the Sault to a World Series that healed wounds Michigan is one-of-a-kind. America's only two-part state, with dual peninsulas, it has been host to a medley of cultures. And, while these cultures have not always coexisted peacefully, Michigan has conquered its brushes with adversity to reunite stronger than ever. It Happened in Michigan goes behind the scenes to tell its story, in short episodes that reveal the intriguing people and events that have shaped the Great Lakes State.

Brothers Forever Craig Mayeux 2007-07-10 Winner of the Creative Arts Council's 2008 Book of the Year Award Craig Mayeux's novel is a searing, searching portrait of mirth and misery, crammed with tender innocence, optimistic bonding and crashing sorrow—all weighed down by blind cultural precepts. Two boys, who share a crib in a New York institution, are suddenly immersed as "orphan train" riders into Louisiana's Cajun/Creole folkways. One is adopted by a childless, doting couple; the other is indentured to hard-luck, hardscrabble farmers. The former is spoiled beyond gratification; the other abused emotionally and physically with heart-aching, backbreaking servitude. Throughout the continuing counterpoint of bare bones versus largesse, the boys stay true to their anthem of being Brothers Forever. The author knows of what he writes. His grandfather, George Leary, was an indentured "orphan train" boy, who traveled from New York to Cottonport, Louisiana in the early twentieth century. Myron Tassin Author/co-author of 20 books, including, *Why Me Lord? Recollections of a Cottonpicker* *Nous Sommes Acadiens/We Are Acadians*

Strategies that Work Stephanie Harvey 2007-01-01 Describes strategies teachers can use to promote reading comprehension in students from kindergarten through eighth grade; and includes examples of student work, illustrations, and other reference tools.

Democratic Social Education David W. Hursh 2014-03-05 In 1932 George Counts, in his speech "Dare the School Build a New Social Order?" explicitly challenged teachers to develop a democratic, socialistic society. In *Democratic Social Education: Social Studies for Social Change* Drs. Hursh and Ross take seriously the question of what social studies educators can do to help build a democratic society in the face of current antidemocratic impulses of greed, individualism and intolerance. The essays in this book respond to Counts' question in theoretical analyses of education and society, historical analyses of efforts since Counts' challenge, and practical analyses of classroom pedagogy and school organization. This volume provides researchers and teacher educators with ideas and descriptions of practice that challenge the taken-for-granted meanings of democracy, citizenship, culture, work, indoctrination, evaluation, standards and curriculum within the purposes of social education.

Olifantenmeisje Ellen Marie Wiseman 2018-08-31 'Olifantenmeisje' van Ellen Marie Wiseman vertelt het verhaal van Lily, die in de jaren '30 op tienjarige leeftijd aan het circus verkocht wordt. Op een zomeravond in 1931 mag de tienjarige Lily Blackwood voor het eerst naar buiten. Haar moeder neemt haar mee naar het circus. Maar wat Lily niet weet, is dat ze nooit meer thuis zal komen. Meer dan twintig jaar later erft de jonge Julia Blackwood het huis van haar ouders. Voor het eerst komt ze op de zolder, waar ze mysterieuze foto's aantreft van een albino circusmeisje. Ze begint te vermoeden dat haar ouders een donker geheim hadden. Ellen Marie Wiseman schrijft indringende historische romans, waarin ze graag een nieuw licht werpt op de geschiedenis. Eerder schreef ze 'De pruimenboom', 'Wat ze achterliet' en 'De brekerjongens'.

De verloren kinderen Diney Costeloe 2017-12-05 'De verloren kinderen' van Diney Costeloe (The Throwaway Children) is het ontroerende en aangrijpende verhaal van kinderen die na de Tweede Wereldoorlog naar Australië werden vervoerd. Engeland, 1948. Rita en Rosie Stevens zijn pas negen en vijf jaar oud als hun moeder Mavis, een oorlogsweduwe, zwanger raakt van de gewelddadige Jimmy Randall. Hij stelt haar voor de keuze: als zij wil trouwen om hun zoon te erkennen moet ze haar dochters opgeven. Mavis tekent de papieren van het weeshuis waar Jimmy de kinderen naartoe wil sturen zonder te beseffen dat ze daarmee al haar ouderlijke rechten overdraagt. Als het weeshuis een groep kinderen naar Australië stuurt 'om daar een nieuw leven op te bouwen', maken Rita en Rosie deel uit van die groep – en er is niets wat Mavis daaraan kan doen... 'Onmogelijk om weg te leggen dit boek, het had me vanaf het eerste hoofdstuk in zijn greep. Intrigerende personages. 'De verloren kinderen' is een ontzettend emotioneel boek over de kinderen die na de oorlog naar Australië werden gestuurd.'

Amazon.co.uk 'Diney Costeloe's schrijfstijl zorgt ervoor dat je in het verhaal wordt getrokken. Je voelt

gewoon de smart, angsten, vreugde en zorgen van de meisjes.' Goodreads.com

Orphan Trains Elizabeth Raum 2011-01-01 "Describes the people and events involved in the orphan trains. The reader's choices reveal the historical details from the perspectives of a New York City newsboy, a child trying to keep his siblings together, and a child sent west on the baby trains"--Provided by publisher.

We Rode the Orphan Trains Andrea Warren 2004-03 Describes the journey many orphan children took looking for families and homes to call their own.

Orphan Trains Stephen O'Connor 2014-11-04 The true story behind Christina Baker Kline's bestselling novel is revealed in this "engaging and thoughtful history" of the Children's Aid Society (Los Angeles Times). A powerful blend of history, biography, and adventure, Orphan Trains fills a grievous gap in the American story. Tracing the evolution of the Children's Aid Society, this dramatic narrative tells the fascinating tale of one of the most famous—and sometimes infamous—child welfare programs: the orphan trains, which spirited away some two hundred fifty thousand abandoned children into the homes of rural families in the Midwest. In mid-nineteenth-century New York, vagrant children, whether orphans or runaways, filled the streets. The city's solution for years had been to sweep these children into prisons or almshouses. But a young minister named Charles Loring Brace took a different tack. With the creation of the Children's Aid Society in 1853, he provided homeless youngsters with shelter, education, and, for many, a new family out west. The family matching process was haphazard, to say the least: at town meetings, farming families took their pick of the orphan train riders. Some children, such as James Brady, who became governor of Alaska, found loving homes, while others, such as Charley Miller, who shot two boys on a train in Wyoming, saw no end to their misery. Complete with extraordinary photographs and deeply moving stories, Orphan Trains gives invaluable insights into a creative genius whose pioneering, if controversial, efforts inform child rescue work today.

Pioneer Girl 2009-09-01 Describes the early childhood and life of Grace Snyder, whose family owned a Nebraska homestead in the late nineteenth century and endured the hardships and dangers of the prairie.
