The Tao of Public Service Eric Z. Lucas 2013-02-14 As a little one, hearing JFK speak for the first time made me want to be just like him. For some reason, his words went straight to my heart, filling my heart with something wonderful. It is a feeling that I later came to understand as a desire to serve—to pursue a life of public service. My desire was for this ideal. These feelings have taken me on a long and tortuous journey. I have been a public servant most of my life. I have gone from a poor little black child, laborer, contractor, and teacher, to politician, lawyer, and judge. But strangely enough, my journey did not end there. My journey did not end with political success. Strangely enough, I discovered that my desire and my ideal meant something deeper and even more wonderful. I discovered that it meant something above and beyond politics—something for everyone. I discovered something good for every single person: the ideal life, a life of true purpose. Not something for the far-distant future, but something that can be achieved in the here and now. And I want to share my experiences of this process (the Tao) with you.

Clockwork Fairy Tales: A Collection of Steampunk Fables Stephen L. Antczak 2013-06-04 Combining the timeless fairy tales that we all read as children with the out-of-time technological wizardry that is steampunk, this collection of stories blends the old and the new in ways sure to engage every fantasy reader.... Inspired by Hans Christian Andersen's "The Red Shoes," New York Times bestselling author K. W. Jeter's "La Valse" forges a fable about love, the decadence of technology, and a gala dance that becomes the obsession of a young engineer—and the doom of those who partake in it.... In "You Will Attend Until Beauty Awakens," national bestselling author and John W. Campbell Award winner Jay Lake tells the story of Sleeping Beauty—and how the princess was conceived in deception, raised in danger, and rescued by a prince who may be less than valiant. The tale of "The Tinderbox" takes a turn into the surreal when a damaged young soldier comes into possession of an intricate, treacherous treasure and is drawn into a mission of mercy in national bestselling author Kat Richardson's "The Hollow Hounds." In "The Kings of Mount Golden," Hugo and World Fantasy Award nominee Paul Di Filippo tells the story of a young man's search for his heritage and a mechanical marvel that lies at the heart of a sinister pact in this fascinating take on "The King of the Golden Mountain." ALSO INCLUDES STORIES FROM Steven Harper Nancy A.

Memory Work Miguel de Baca 2015-12-08 "Memory Work demonstrates the evolution of the pioneering minimalist sculptor Anne Truitt, analyzing the key theme of memory in her practice. In addition to the artist's own popular published writings, which detail the unique challenges facing female artists, Memory Work draws on unpublished manuscripts, private recordings, and never-before-seen working drawings to validate Truitt's original ideas about the link between perception and mnemonic reference in contemporary art."--Provided by publisher.

"When the Welfare People Come" Don Lash 2017-01-15 In this groundbreaking look at the history and politics of the US child welfare system, "When the Welfare People Come" exposes the system in its totality, from child protective investigation to foster care and mandated services, arguing that it constitutes a mechanism of control exerted over poor and working class parents and children. Applying the Marxist framework of social reproduction theory to the child welfare system, the author reveals the system's role in the regulation of family life under capitalism. Don Lash is an attorney who has practiced in the areas of disability rights, education, and child welfare for more than twenty years.

Draw #36 Mike Manley 2019-12-04 From Deadpool to the Infinity Countdown, Mike Hawthorne has continued his upward trajectory to become one of today's best mainstream comics artists. In Draw! #36, Hawthorne slices, dices, and dishes on what it takes to get to the top, and how he creates the razor-sharp imagery that got him there! Next, Draw! travels north of the border to catch up with Shuster Award-winning artist Yanick Paquette (Wonder Woman: Earth One, Batman Incorporated, and Swamp Thing), as he reveal the techniques and working methods behind his remarkable style. Plus, regular columnist Jerry Ordway continues demonstrating the "Ord-Way" of creating comics, Jamar Nicholas reviews the latest art supplies, and we present the latest installment of Comic Art Bootcamp by Bret Blevins and Draw! editor Mike Manley! NOTE: Contains mild nudity for figure-drawing instruction; suggested for Mature Readers Only.

Good Morning Message Peggy Edwards 2010-08 This daily devotional book has been a God-led inspiration from its very start-up; from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network. Our God is so awesome! I've had people return emails to me or speak to me and ask, "How did you know that I needed that today?" or "How did you know I was going through this?" That is when I thankfully remind them that God inspired each and every one of these devotionals. I am just being faithful and following His directions. Now I'm led to put them into a year of daily devotions book to reach others. Occasionally, my emailed devotionals have colored photographs that I take as God inspired message for the day. Unfortunately, I couldn't include those in this book. I did include a photo in grayscale at the beginning of each month; the cover photo is a God-blessed look at an Alaskan sunset. I am so thankful that God is working in my life. I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others. When you feel down, just start counting each of the blessings God has touched you with in your life; and you will feel His Presence and comfort to encourage you. We are never alone; He is just a prayer away; nothing is impossible for our God. He is not done with us yet. He is asking us to be obedient in our service to Him, and He will help us grow in our faith. Trust in Him, and you will be astounded at what He has in store for you.

The \$12 Million Stuffed Shark Don Thompson 2010-09-25 Why would a smart New York investment banker pay twelve million dollars for the decaying, stuffed carcass of a shark? By what alchemy does Jackson Pollock's drip painting No.5 1948 sell for \$140 million? 'The \$12 Million Dollar Stuffed Shark' is the first book to look at the economics of the modern art world, and the marketing strategies that power the market to produce such astronomical prices. Don Thompson talks to auction houses, dealers, and collectors to find out the source of Charles Saatchi's Midas touch, and how far a gallery like White Cube has contributed to Damien Hirst becoming one of the highest-earning artists in the world.

Growing as a Teacher Clive Beck 2014-05-12 Teacher learning doesn't end with initial preparation; many insights and skills remain to be added. This book is concerned with ongoing teacher learning, its goals (Part I) and pathways (Part II). It is based on a longitudinal study of 42 teachers: 20 over their first 8 years of teaching and 22 over their first 5 years. The areas of continued teacher learning identified in our study were: vision of teaching, program planning, assessment, relevance, subject content and pedagogy, classroom organization and community, inclusion, and professional identity. The pathways of learning included informal and formal PD, teacher inquiry, and school-based learning. A key finding of our research was that, over the years, teachers learn a great deal informally. However, they do so largely on their own and under considerable stress. Teachers need more support than they currently receive, both for survival and to enhance their informal learning. Teachers can benefit significantly from external input, but their everyday learning makes them key "experts" in teaching. Accordingly, PD providers should work with teachers, utilizing their existing knowledge. This book is written for consideration by teachers, student teachers, teacher educators, PD providers, policy developers, and others interested in facilitating teacher learning. Some of us have been writing – somewhat desperately – on these ideas for years. Beck and Kosnik have given us strong evidence that the ideas are effective in practice. I hope this persuasive and beautifully written book will be widely read. Nel Noddings, Lee Jacks Professor of Education Emerita, Stanford University This book makes a powerful case for taking teachers' professional development seriously. It brings us the voices of beginning teachers as they deepen their professional knowledge over time and makes clear the depth of commitment they bring to the job. Professor

Over the Top Jonathan Van Ness 2019-09-24 'Over The Top [is] a lightning bolt – devastating and stirring ... generous and frank.' The Guardian Who gave Jonathan Van Ness permission to be the radiant human he is today? No one, honey. The truth is, it hasn't always been gorgeous for this beacon of positivity and joy. Before he stole our hearts as the grooming and self-care expert on Netflix's hit show Queer Eye, Jonathan was growing up in a small Midwestern town that didn't understand why he was so...over the top. From choreographed carpet figure skating routines to the unavoidable fact that he was Just. So. Gay., Jonathan was an easy target and endured years of judgement, ridicule and trauma - yet none of it crushed his uniquely effervescent spirit. Over the Top uncovers the pain and passion it took to end up becoming the model of self-love and acceptance that Jonathan is today. In this revelatory, raw, and rambunctious memoir, Jonathan shares never-before-told secrets and reveals sides of himself that the public has never seen. JVN fans may think they know the man behind the stiletto heels, the crop tops, and the iconic sayings, but there's much more to him than meets the Queer Eye. You'll laugh, you'll cry, and you'll come away knowing that no matter how broken or lost you may be, you're a Kelly Clarkson song, you're strong, and you've got this.

Abundance Michael Fine 2019-05-01 Julia is an American medical doctor fleeing her own privileged background to find a new life delivering health care to African villages, where her skills can make a difference. Carl is also an American, whose very different experiences as a black man in the United States have driven him into exile in West Africa, where he is an international NGO expat. The two come together as colleagues (and then more) as Liberia is gripped in a brutal civil war. Child soldiers kidnap Julia on a remote jungle road, and Carl is evacuated against his will by U.S. Marines. Back in the United States he finds Julia's mentor, Levin, a Rhode Island MD whose Sixties idealism has been hijacked by history. Then they meet the thief. Then they meet the smuggler. And the dangerous work of finding and rescuing Julia begins. An unforgettable thriller grounded in real events.

Dirty Work Eyal Press 2021-08-17 A groundbreaking, urgent report from the front lines of "dirty work"—the work that society considers essential but morally compromised. Drone pilots who carry out targeted assassinations. Undocumented immigrants who man the "kill floors" of industrial slaughterhouses. Guards who patrol the wards of the United States' most violent and abusive prisons. In Dirty Work, Eyal Press offers a paradigm-shifting view of the moral landscape of contemporary America through the stories of people who perform society's most ethically troubling jobs. As Press shows, we are increasingly shielded and distanced from an array of morally questionable activities that other, less privileged people perform in our name. The COVID-19 pandemic has drawn unprecedented attention to essential workers, and to the health and safety risks to which workers in prisons and slaughterhouses are exposed. But Dirty Work examines a less familiar set of occupational hazards: psychological and emotional hardships such as stigma, shame, PTSD, and moral injury. These burdens fall disproportionately on low-income workers, undocumented immigrants, women, and people of color. Illuminating the moving, sometimes harrowing stories of the people doing society's dirty work, and incisively examining the structures of power and complicity that shape their lives, Press reveals fundamental truths about the moral dimensions of work and the hidden costs of inequality in America.

A Philosopher Looks at the Natural World Daniel C. Fouke 2021-08-10 This book interweaves the author's personal story and observations of nature, with scientific

research, and philosophical reflection. It tells the story of nearly three decades of labor to ecologically restore twenty-one acres of ruined land near Dayton, Ohio. This story and what the author has observed motivate reflection on the human relationship to soil, the inner lives of animals, the intelligence of plants, and human psychology. The book advances the case for the intelligence and kinship of all living things, an ethic of respect for life, and the need to radically rethink how human societies live on Earth.

Cracked Porcelain Full Story Three Sarah Ruth Scott 2015-07-07 Cracked porcelain full story three-Remember me is the third part to the cracked porcelain trilogy, it take Ruth's story to a new dimension or a place that she is unfamiliar with. Ruth is in a car crash and believes that she has died; she meets ghosts from her past and faces her demon abusers. She realises it is now time to reflect on her past and find out exactly what her future holds, as she struggles to determine whether or not she is experiencing a dream or real events. Whatever the case, she knows that her life needs to change in order for her to survive.

There's No Need to Shout! David Wright 2005 This practical book on the subject of positive behaviour management is invaluable to teachers, classroom assistants and people involved in education and training. It provides an insight into the changes that have occurred in secondary school classrooms over the past forty years that have led to the difficulties teachers have in managing the behaviour of their pupils.

Diary of a Philosophy Student: 1926-27 Simone de Beauvoir 2006 "Revelatory insights into the early life and thought of the preeminent French feminist philosopher. Dating from her years as a philosophy student at the Sorbonne, this is the 1926-27 diary of the teenager who would become the famous French philosopher, author, and feminist, Simone de Beauvoir. Written years before her first meeting with Jean-Paul Sartre, these diaries reveal previously unknown details about her life and offer critical insights into her early philosophy and literary works. Presented here for the first time in translation and fully annotated, the diary is completed by essays from Barbara Klaw and Margaret A. Simons that address its philosophical, historical and literary significance. The volume represents an invaluable resource for tracing the development of Beauvoir's independent thinking and influence on the world."--Publisher's description.

My Heritage Abc Sherri Ferguson 2013-08-05 Sherri Ferguson has DONE IT! Never has anyone been clever enough to capture the attention of each age group in one book, in regards to their heritage. My Heritage ABC has been exceptionally and exquisitely put together educating children in their African and African American history, alphabets, reading, colors, numbers, poetry, speeches from great leaders, languages and much , much more. This full color motivational book has managed to capture the beauty of Africa and teach history while children identify with their everyday learning pattern. The dynamic richness it gives in many areas is without question priceless. The showing of historical and today's black leaders joined with small biographies will assure that your child gain knowledge of the wonderful people that came before them, and see the importance of moving forward with dignity and admiration. Her poetry and words of encouragement to the youth is life changing. This book without a doubt will be a collector's item and may be passed on for generations to come.

Teaching Research Methods in the Social Sciences Claire Wagner 2016-04-01 How can excellence in the teaching of research methods be encouraged and ensured? This question has become increasingly important following the adoption of research methodology as a core part of many postgraduate and undergraduate courses. There has, however, been little discussion about the aims and methods of teaching the subject. In this volume; a number of authors from a variety of countries and disciplines employ their knowledge and experience towards the development of a 'pedagogical culture' in research methods. Their aim is to establish the extent of common concerns and challenges and to demonstrate ways in which these are being met. Intended to provide both a stimulus and source materials for the development of a more substantial and systematic literature in the field, the book will be of great interest to all those teaching research methods courses within social science disciplines.

The White Company The Art of Living with White Chrissie Rucker & The White Company 2022-09-15 From the author of the home decorating bestseller, For the Love of White, comes an inspirational and informative guide to creating a welcoming home through the seasons using a white and neutral palette. 'I love a home to feel warm, inviting, personal and lived-in - and mastering how to decorate with white and neutrals is a wonderful way to achieve this.' - CHRISSIE RUCKER In her much-anticipated second book, The Art Of Living With White, Chrissie Rucker, Founder of The White Company, explores 10 inspirational homes that illustrate beautifully different ways to use white and neutrals through the seasons. The homes vary in size, style and location - from a minimalist city pied-à-terre to a New England-style

country house - but what unites them all is the welcoming, stylish and calm feel that their owners have each created. The homes are grouped into the four seasons and each chapter ends with a summary of seasonal rituals that will work in any home. A concluding chapter - Inspiration & Resources - considers finding your own style, how to create a good balance between work and home in interior spaces, the art of simple entertaining and the importance of scent and touch in a truly comfortable home. Praise for *The White Company: For the Love of White* 'A testament to the power of neutrals' - *House and Garden* 'A visual feast with a passion for all things white at its heart' - *House Beautiful*

Sweet as Cane, Salty as Tears Ken Wheaton 2014-07-01 A freak accident forces a New Yorker to return to Louisiana and confront her Cajun past There is nothing more dangerous than a spooked rhinoceros. It is just before lunchtime when Huey, the prized black rhino of Broussard, Louisiana, erupts from his enclosure, trampling a zoo employee on his way to a rampage in the Cajun countryside. The incident makes the rounds online as *News of the Weird*, and Katherine Fontenot is laughing along with the rest of her New York office when she notices the name of the hurt zookeeper: Karen-Anne Castille—her sister. Fifty years old, lonely, and in danger of being laid off, Katherine has spent decades trying to ignore her Louisiana roots. Forced home by Karen-Anne's accident, she remembers everything about the bayou that she wanted to escape: the heat, the mosquitoes, and the constant, crushing embrace of family. But when forced to confront the ghosts of her past, she discovers that escape might never have been necessary.
