

Sibling Rivalry In The Household Of God

Thank you enormously much for downloading Sibling Rivalry In The Household Of God. Maybe you have knowledge that, people have look numerous time for their favorite books following this Sibling Rivalry In The Household Of God, but end stirring in harmful downloads.

Rather than enjoying a good ebook bearing in mind a mug of coffee in the afternoon, instead they juggled next some harmful virus inside their computer. Sibling Rivalry In The Household Of God is nearby in our digital library an online entrance to it is set as public fittingly you can download it instantly. Our digital library saves in complex countries, allowing you to acquire the most less latency time to download any of our books behind this one. Merely said, the Sibling Rivalry In The Household Of God is universally compatible gone any devices to read.

Gone, Brother, Gone June Bowen 2015 "Sibling rivalry is not a problem for Ellen and Alistair. In a family where money is god and time is profit, they have always been there for each other. When Ellen faces an unplanned pregnancy and Alistair flees to Melbourne to avoid arrest on drug charges, they lose contact with each other for many years. Each follows their own separate path of self-discovery in their chosen careers until a bizarre co-incidence finally brings them together again. Their joyous reunion is quickly replaced with the disturbing discovery that they must once again support each other unconditionally, this time in a fight for justice against rape and murder"--Back cover."Sibling rivalry is not a problem for Ellen and Alistair. God's Power To Change John Loren Sandford 2013-10-22 Fear of rejection. Loneliness. Depression. Grief.

Isolation. What Christian hasn't experienced these feelings at some time in life? Many wonder why their lives don't demonstrate the victorious living that they desire, asking questions like: Why can't I overcome this area in my life? Why is it so difficult for me to change? If I am a Christian, why do I keep falling into the same sinful pattern over and over again? In God's Power to Change, book two of four in The Transformation Series, readers will learn, in simple ways, how to reach and heal their spirits and the inner spirit of each person to whom they minister. Through the power of His Word and the Holy Spirit, we can change!

The IVP Women's Bible Commentary Catherine Clark Kroeger 2002 This commentary edited by Catherine Clark Kroeger and Mary Evans is an attempt to answer the question, What happens when we look at Scripture through women's eyes? New and helpful insights from an international team of scholars show how Scripture is relevant to women and men alike, making it a wonderful complement to other commentaries.

Loving Others + Joy Jodie Cooper 2020-12 Loving Others Derision and hatred are a common feature on our screens. Such words and actions are accepted and even celebrated by the world. In this mess, how can we lead our families to love as Jesus did? Soolie gets mad, so very mad, when his little sister touches his favourite toy. As his Mum teaches him what God's word has to say about love he wonders: Can God really be more powerful than my big, angry feelings? Join Soolie and his family in an all too familiar tale of sibling rivalry, as they discover what God's Word has to say about loving others. Then lead your family, friends or students to study this challenging topic for yourselves. In God's word, loving others is non-negotiable. Our love for other Christians is meant to be what sets us apart as followers of Jesus. But it isn't an easy task. Your family need your help today to learn the importance of loving others and the incredible power that we have been given that makes this possible. Get your copy of this resource to help you lead your family to love when it is hard. We know this is what God has called all of us to and that he will be glorified as we reflect his character in this way. Joy Life can give us plenty to complain about. But the Bible commands us to have joy. Is it really possible to count it all joy? The excitement of Soolie's plans for the day is interrupted when he is reminded he has a job to do first. Soolie is filled with something, but it certainly isn't joy. His Dad takes the opportunity to teach him an important lesson about joy. But will it have the power to change his mood? Join Soolie for another tale in the gum trees as he discovers the source of true and lasting joy. Then use the

discussion questions & Family Joy Project to connect this important lesson to your own life. You will be glad that you did!

Called to Be God's Image Bearers Daryl Enfield 2021-10-07 Learn about the heavenly Father's involvement in calling unto Himself a family. It is only through Scripture that one can comprehend the immeasurable love God has for those He has called. Those who eagerly search after God through prayer and through a focused study of His inspired Word will be blessed with the godly wisdom that the heavenly Father is eager to bestow on each of His children. But you cannot do this without gaining the knowledge of who you are, the relevancy of your life, and the knowledge of your spiritual gifts. Our Father intends for each of us to use these gifts within and for the benefit of His family of families—the church. To reflect on God's involvement in your life, you must think about influential people, nodal events, family experiences, faith experiences, achievements, educational experiences, and work experiences that have shaped who you are. The next step is to write a narrative—the story of your life. As one who is called, you will be amazed at God's involvement in your life. The author's story is truly a testimony to God's involvement, as His fingerprints are evident throughout his life—just as you'll find His touch is upon yours.

God the Leader Kathleen M. Rochester 2020-06-04 What kind of a leader is God? Is he a benevolent Santa Claus? Or is he really a narcissist? Is his leadership centered on law enforcement? Or is his priority focused on relationships? Is his interest in nations and systems? Or is he personally alongside the mistreated and oppressed? Is he a leader of armies? Or is he a leader of peace? These and many other questions about God's character and leadership are in the back (if not the front) of many people's minds—questions especially about the God of the Old Testament, who is often painted very differently from the God of the New Testament. Our image of God as leader is highly likely to influence how we act when we are leaders—whether as parents, bosses, teachers, politicians, or leaders of any group, small or large. This book assists us in observing God's leadership through the varied contours of the Old Testament journey and offers human illustrations of leadership, both positive and negative, to help us in our reflections.

Emotionally Healthy Relationships Workbook Peter Scazzero 2017-09-12 Have you ever wondered why we recycle the same problems in the church year after year? Broken relationships, unresolved conflicts, inability to speak the truth, pretending things are fine because we're concerned about being nice. Week after week we hear sermons about loving better, but little changes in people's lives. We spend a lot of money to learn, and become competent in,

our careers, but few of us have learned the skills or gained the competency to love well. It's been rightly said that 85 percent of Christians are stuck, stagnant in their spiritual lives. Most discipleship approaches do not include the necessary tools to mature us as followers of Jesus Christ who love God, ourselves, and others well. Pete and Geri Scazzero developed The Emotionally Healthy (EH) Relationships Course over a 21-year period to directly address core biblical principles to guide you and others into an experience of discipleship that will deeply change your life. In the EH Relationships Course, you will learn 8 practical relationship skills to develop mature, loving relationships with others. Take Your Community Temperature Reading Stop Mind Reading and Clarify Expectations Genogram Your Family Explore the Iceberg Listen Incarnationally Climb the Ladder of Integrity Fight Cleanly Develop a "Rule of Life" to Implement Emotionally Healthy Skills And since loving others and loving God cannot be separated, you will also grow in your personal, first-hand relationships with Jesus by incorporating stillness, silence, and Scripture as daily life rhythms. This workbook includes sessions introductions, group discussion questions, personal action steps, and between the sessions personal study. This powerful journey that will walk you through a door that will change forever the way you love God, others, and yourself. Designed for use with the Emotionally Healthy Relationships Video Study (9780310081937), sold separately. It is part of the Emotionally Healthy (EH) Relationships Course that also includes the Emotionally Healthy Relationships Day by Day devotional (9780310349594).

Immigrants of the Kingdom of God Annang Asumang 2008-05-28 Immigration has in recent years become a hotly contested subject in public political and social discussions. Both in Europe and America, there is increased polarization, confusion, and anxiety about how to handle this challenging phenomenon. What has not been adequately discussed during these debates, however, is the influence of immigration on religion in the host countries. The increase in the number of Moslem immigrants in the West has been raised in some publications. However, this book is among the first to examine the impact of immigration on the Christian faith from a biblical perspective. The fact is, in many Western countries today, the future of Christianity is progressively becoming dependent on immigration. Is there any biblical perspective to the phenomenon? What should be the response of Christians to the debate? And how should Christian immigrants themselves interpret their experiences in the light of the Word of God? Asumang examines the lives and experiences of the giants of the Bible to answer these questions. And his conclusions are insightful and challenging both to immigrant and non-immigrant Christians alike.

Sibling Rivalry in the Household of God Jay E. Adams 2010-09-09 Many of us have experienced sibling rivalry:

poking, pushing; hurtful words that sting. Whether between children or adults, sibling rivalry is perhaps the worst kind of contention, and tends to be more dangerous, more vicious and longer lasting than most. Unfortunately, what is true in our families is also true in the church. This book is about the cause and effects of rivalry among brothers and sisters in Christ-and what can be done about it. It is the Christian's duty to prevent such divisions in the family of God. When such divisions do occur, however, it is also the duty of Christians to turn possible disasters into God-glorifying victories. Every Christian needs to read and learn from the pages of this book. It may even revolutionise your church . . . and you!

Families of the Bible: A New Perspective Kamila Blessing 2010-08-19 Reinterpreting the Bible through Family Systems Theory, this fascinating exploration shows how the theology of creation, restoration, and salvation can be meaningfully and uniquely understood through the lens of the biblical family. • Uses family systems theory in a way that will be accessible for the layperson, as well as scholars and clergy • Includes genograms and other family diagrams • Offers original interpretations of family stories throughout • Cites specific biblical examples • Includes an appendix demonstrating the use of Family Systems Theory as hermeneutic

What The Spirit is Saying to the Church Reverend Anthony Kelley 2017-09-25 What the Spirit is Saying to the Church is an apocalyptic view from the letters to the seven churches in the book of Revelation that begins its message to the church admonishing her to return to her first love which she has abandoned. The author contends that this first love requirement demands a redirection of priorities for the Twenty-First-Century Church-in-the-Black-Experience. It demonstrates how, for the love of Christ, she must move beyond a limited vision of just a good-looking church and satisfaction with old definitions. Christ gives a rebuke to the church and a direct warning that if she does not repent and return to her first love, he will then remove her lampstand! "Reverend Kelley's preaching is spiritually sound and intellectually stimulating and challenging, and also socially relevant. He deeply believes in

what I would call a well-rounded ministry. That is to say, that ministry for him involves not only mastering the preached Word, but also taking seriously and fulfilling the roles of pastor, priest, and prophet."-REV. DR. LEWIS V. BALDWIN, PHD, RETIRED PROFESSOR OF RELIGIOUS STUDIES, VANDERBILT UNIVERSITY. "Reverend Kelley is a preacher of the Word. His ability to prepare and deliver biblically sound, inspirational and spirit-filled sermons is a gift that allows those who hear him to participate in the story of salvation at personal and social levels. He is not a closed-lip babbler who preaches to itching ears, rather he speaks with power and authority under the watchcare of an humble spirit and a disciplined mind."-REV. DR. WALTER EARL FLUKER, PHD, MARTIN LUTHER KING JR. PROFESSOR OF ETHICAL LEADERSHIP, AND DIRECTOR OF THE HOWARD THURMAN INSTITUTE, BOSTON UNIVERSITY SCHOOL OF THEOLOGY.

Genesis 11:27-50:26 K. A. Mathews 2005 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text.

To God Be the Glory Elfriede Mollon 2006-04-01

Kingdom Disciples Tony Evans 2017-07-04 Where have all the disciples gone? There is a missing force in Christianity today. It's a critical one, and its absence has led to weak believers, disintegrating families, ineffective churches, and a decaying culture. Without it, we lack what we need to fully live as heaven's representatives on earth. That missing force is discipleship. In Kingdom Disciples, Tony Evans outlines a simple, actionable definition of discipleship to help the church fulfill its calling. Readers will learn: What a disciple is What a disciple cares about How to be a disciple and make disciples What discipleship looks like in community What the impact of discipleship on the world can be Kingdom disciples are in short supply, and the result is a legion of powerless Christians attending powerless churches, having a powerless presence in the world. The power, authority, abundance, victory, and impact God has promised will only come about when we understand and align ourselves with His definition of discipleship. Kingdom Disciples calls believers and churches back to our primary, divinely ordained responsibility to be disciples and make disciples. Only when we take seriously this assignment will the world see heaven at work on earth. Will you accept the assignment? Kingdom Disciples is useful as base material for a course on discipleship.

Sibling Rivalry Joan Dunham 2021-04-26 My reasons for writing this book grew from the current state of social behavior (peer pressure) among our children. Sometimes we don't recognize that things that may seem simple or small to one person are a big issue to someone else. We should be more accepting of others' differences or

preferences. We also have to recognize that today, it may take two parents working from home or outside of the home to support the family household. Therefore, the parents have to trust that the older siblings will watch and care for the younger siblings. My older siblings cared for the three little kids (which included me) when my mother had to make a living for our family. Once she left for work, there was no vehicle around. We lived out in the country thirty minutes away from any hospital, so my siblings were given a lot of responsibility. We were raised to go to church every Sunday, rain or shine. We really didn't have an excuse for not going to church since the church was at the top of the hill, and it took less than five minutes to walk there. It was at that little country church we learned to accept people for who they were and how to treat others within church. I believe if we teach our children love and respect for themselves as well as others, we can eliminate bullying. In the Christian faith, all that is asked of us is that we be obedient to God's Word and that we love one another.

Configurations of Rape in the Hebrew Bible Frank M. Yamada 2008 In *Configurations of Rape in the Hebrew Bible*, Frank M. Yamada explores the compelling similarity among three rape narratives found in the Hebrew Scriptures. These three stories the rape of Dinah (Genesis 34), the rape of an unnamed concubine (Judges 19), and the rape of Tamar, daughter of David (2 Samuel 13) move through the same plot progression: an initial sexual violation of a woman leads to escalating violence among men, resulting in some form of social fragmentation. In this intriguing study, Yamada draws from the disciplines of literary and narrative criticism, feminist biblical interpretation, and cultural anthropology to argue for a family resemblance among these three stories about rape."

Sibling Rivalry Patricia S. Crawford 2015-05-14 *Sibling Rivalry* is a book that is near and dear to my heart because of the rivalry that has transpired among my siblings and I. I describe this book as therapy for the soul. *Sibling Rivalry* is the clear depiction of various facets of rivalry within the home. This book will help you to understand where rivalry in the home derives from and possibly help you to understand your own personal situation. *Sibling Rivalry* is structured to help break generational curses, heal, forgive, and restore love that has been lost. Revelation states that Cain and Abel were the very first Rivals amongst siblings. Cain's jealous nature left their parents without both of their children. Cain killed Abel out of jealousy and because the Lord showed favor over Abel. Cain did not have to be jealous of his brother because God had told Cain how to receive favor for himself. Jealousy and anger was so deeply rooted inside of Cain until it made him commit murder. Cain would have rather killed his own sibling then to take the advice of the Lord God our Savior. God was not pleased with what Cain had done so God cursed Cain.

This book reveals different types of rivalry inside of the home.

Introducing Old Testament Theology W. H. Jr. Bellinger 2022-05-17 A senior scholar and teacher with four decades of classroom experience offers a concise, student-level theology of the entire Old Testament. W. H. Bellinger Jr. uses ancient Israel's confession of faith, the Psalms, to introduce the sweep of Old Testament theology: creation, covenant, and prophecy. He shows how these three theological dimensions each entail a portrayal of God and invite a human response to God. Bellinger also discusses how to appropriate Old Testament theology for contemporary life.

The House That God Built Zebedee King 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country, many would agree that family foundations are cracking and shifting out of place. This has resulted in untold devastation within the home and our other social systems; therefore, many households and lives have simply given way and collapsed under the weight of a host of societal pressures. Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution (especially the first human institution marriage) are responsible for placing the family and society on very shaky ground indeed, leaving a very dubious moral and economic legacy for successive generations. When cracks begin to appear upon the walls of a house, it may indicate a shifting or damaged foundation, which may indicate poor foundation work. As a result, builders typically reexamine the blueprint the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation. It is the authors conviction that in many households within society, weak or faulty spiritual and moral foundations have been laid, resulting in the cultural cataclysm we witness throughout our land. In his book, *The House that God Built: Gods Master Plan for Marriage and His Blueprint for Blessing*, Book One of his *Strong Foundation for Strong Families* series, the author discusses the need for a RE-Vision, of marriage and the family but not by redefining, replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time. Rather, by employing the word RE-Vision, he calls for a refocus a fresh new look at Gods original design for the marriage and family. This plan is found in Gods Holy Word, specially, the first two chapters of the Book of Genesis because this, he feels, is where marriage, family and social systems began. Therefore, the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house (the heavens

and the earth). This study provides keen spiritual and practical insights as to how we can build our homes according to God's plans so as to receive His best blessings upon our homes and upon our communities.

Experiencing God at Home Day by Day Tom Blackaby 2013-10-01 Experiencing God at Home and this hands-on day by day family devotional take a fresh path back to the rich roots of Henry Blackaby's world-renowned Experiencing God writings to connect what happens in our homes to what happens in our churches. Indeed, a parents' task is to disciple their children, and the church's task is to equip parents for this work of ministry. Experiencing God at Home Day by Day will guide parents in having daily worship together as a family. It also helps mom and dad lead the kids toward developing their own personal relationship with Christ at each age and stage of growing up.

Dictionary of Biblical Imagery Leland Ryken 2010-05-11 This reference work explores the images, symbols, motifs, metaphors, figures of speech, and literary patterns found in the Bible. With over 800 articles by over 100 expert contributors, this is an inviting, enlightening and indispensable companion to the reading, study, contemplation and enjoyment of the Bible.

The Flawed Family of God Carolyn B. Helsel 2021-02-09 The best stories in the book of Genesis involve families. The issues these stories raise—married vs. single life, sibling rivalry, infertility, family relocation, blended families, and the like—are startlingly relevant to families of today. This Bible study examines the families of Genesis, starting with how the Adam and Eve story encompasses far more ways of being family than most of us think. It looks at the sibling rivalry of the Cain and Abel story, pointing to the jealousy and violence to which the whole human family seems addicted. It uses the ups and downs of the relationship between Abraham, Sarah, Hagar, and Ishmael can help us understand the complicated dynamic of blended families. Carol Helsel and Suzie Park invite readers these and many other connections as they reexamine the joys and complications of modern family life. This engaging Bible study includes questions for individual reflection or group use.

Family Manifesto Cecil Gaffney 2018-06-22 In the preceding decades, the world has envisioned significant changes in the makeup of families. Since the seventies, the divorce rate has doubled increasing to single-parent households, remarriages, and extended families. The book is a discussion of the many definitions of family and how they demonstrate the changes that are occurring within the family. Many of us today including myself, when we hear the word family, father, mother, and children automatically come to our thoughts. This view represents the traditional

family or the nuclear family by definition consisting of father, mother, and children. Family Manifesto is defined as a books written statements that describe the familys dynamics, functionalities, family types as well as describing functional and dysfunctional families. This book Family Manifesto provides a biblical-based design for developing a Christ-Centered home. We all know the complexity of raising a family in todays world. We also know families possess the significant capability to improve and strengthen their family dynamic substantially.

Messy Church Ross Parsley 2012-07-01 When you look at the church today, what do you see? A corporation with a CEO at the helm? A social organization that does good things for the community? Pastor Ross Parsley believes that neither of those pictures is God's desire. Instead, God wants His church to function as a family—a group of real people who love each other and care for one another's needs, no matter how messy. Our culture is dying for the kind of community that only the church can provide—if we are living as God intended: as a family, protecting one another, extending grace, and loving unconditionally. We are not called to be consumers who ask what the church can offer us. We are called to love deeply, fight fairly, and bring hope to a generation of people starving to belong to something greater than themselves. Welcome to the family. You belong here.

The House of the Father As Fact and Symbol J. David Schloen 2018-07-17 The first two volumes on patrimonialism in Ugarit and the ancient Near East, this book opens with a lengthy introduction on the interpretation of social action and households in the ancient world.

Mile Markers of Faith David L. Slater 2021-03-16 In all my years behind the wheel of a car, I have often seen normally calm and polite people transform into the most inconsiderate and impatient people. I believe that in this "hurry-up world," this is a common problem for many of us. David Slater has written an honest and transparent account of his personal struggles to maintain his cool and his Christian faith while behind the wheel. Using the Bible Epistle of James, Slater likens life to a journey and brilliantly highlights life's struggles, doubts, and frustrations as mile markers toward the building of character and maturity, and was surprised to realize that all these lessons also had the side benefit of making him a better driver. Whether you are a Christian or not, if you struggle with impatience and anger while driving, this book is for you. It not only will make you a better driver but also, more importantly, may lead you to a much-closer relationship with God.

The Fatherhood of God and the Sonship of Man Lenne' Kugler-Hunt 2004-03-01 Kugler-Hunt explains to readers that a profound destiny is waiting for them, and urges them to come and hear that fathering is bound to the nature of

love and that an amazing inheritance awaits those who will fight for it.

A House Divided Cecilia E. Holloman 2002-03-01 In a world faced with terrorism and division, God's people are called to be Restorer's of Broken Walls and Repairers of Streets and Dwellings. Believers everywhere are challenged to set the example of love and unity and to bring healing to broken communities, families and individuals. In this nation, that has been founded on the principles of "Unity in Diversity", God's people must walk together in love and power if there is to be healing in the land. Collaboration is the key to such unity and restoration. "A House Divided" calls for faith based collaboration in this great nation, celebrating and honoring our creed, "From Many... One, E Pluribus Unum." This book boldly proclaims that there can be "No Division" in the White House, in God's House, or in our House."

Family Feuds Ongama Mtimka 2018-11-08 Family Feuds: God has a plan amidst all the Chaos reflects critically on how some of the worst conflicts and violations of the rights of family members in their homes end up working together for the good of the victims in future. Using biblical narratives and critical personal reflection from observations in life, the author explores a subject that is pressing for many people in the twenty first century. The central proposal in the book is that violations of rights, betrayals, rejections, become the material with which God inculcates certain character traits he needs developed to achieve his purposes.

Men in the Bible and Related Literature John Tracy Greene 2015-06-18 Men in the Bible is the result of the Seminar in Biblical Characters in Three Traditions of the International Society of Biblical Literature Annual Meeting that was held at St. Andrews University, Scotland, in 2013. This volume brings together the best papers presented at the Seminar in the form of formal essays. These treat such biblical issues as the profession of the shepherd; the lawgiver; the trickster; fathers and sons; relations among relatives; marriage; inheritance; interpreting prop ...

Heaven: My Father's House Anne Graham Lotz 2005-05-01 Combining the apostle John's glorious description of Heaven from Revelation with heart-touching reflections on her own father's charming mountain home, Anne Graham Lotz weaves a tapestry of truth through this presentation that will take away your fear of death and fill you with hope for the future. Jesus promised us, "In My Father's house are many rooms...I am going there to prepare a place for you." Amid the turbulence of today's terror-besieged world, we cling to the hope of a heavenly home where we will be welcomed into eternal peace and safety. Anne affirms that Heaven is the home of your dreams: a home of lasting value that's fully paid for and filled with family, where you will be wanted and welcomed. Best of all,

Heaven is a home you are invited to claim as your own.

Sibling Rivalry in God's Family Elmer Morgan 1993-03-01

Beyond the Children's Corner Margaret Pritchard Houston 2020-09-30 ?Beyond the Children's Corner is a practical handbook to help churches become more welcoming to children and families in worship. It encourages PCCs and ministry teams to reflect on the spiritual needs of children, the pastoral needs of families, and how to remove barriers and manage change effectively. Based on multiple training sessions and extensive casework, informed by research by the Church of England's Life Events team and the Methodist Church, it explores: • The changing needs of modern families; • What tells you it's time for change; • 'Quick wins' to make the worship space more welcoming and spiritually imaginative; • Engaging children in spiritually nourishing worship; • Children and contemplative worship – what to do about noise; • Building and sustaining relationships with families and children. Many books on All-Age Worship focus the service itself. Beyond the Children's Corner explores how children and adults can be truly integrated as the church community, covering parents' perspectives, the church building and the challenge of change as well as what happens in worship.

Sibling Rivalry in the Household of God Jay Edward Adams 1988

Family Matter Dr. Gilbert H. Edwards Sr. 2021-05-27 Through the years of dealing with family love and a plethora of personalities, I have noticed that in today's society there seems to be disarray, some perplexity, as well as puzzlement, and uncertainty of God's family order and how it works. Man should know the role, order, guidelines and relationships within the family household. God started the first family and created the ideal family household - husband, wife, son, and daughter. The love of every member of the family and the role each member plays within the family is outlined in this book.

God with Skin On Anne Robertson 2009-04-01 You may be the only Jesus some people will ever meet! Suppose that the 2:00 am feeding of your infant daughter was not just meeting a physical need but also was teaching her that God's provision could be trusted? And suppose her cries for succor were also teaching you to respond to the cries of Jesus when he presents himself as "the least of these"? Based on the Great Commandment, this book examines relationships common to us all—those of intimacy, authority, rivalry, and otherness— and shows how learning to love within those relationships affects our relationship with God. Supported by biblical examples and references to psychological studies, this book examines all our basic relationships—family relationships, relationships with

authority figures, friends and enemies, companion animals, even virtual relationships—to show how learning to love within those relationships is truly divine work. In a culture where relationships are often divisive and exploitative, and where the call to love enemies often seems impractical, this book offers the reminder that every relationship provides an opportunity to love God in the other and to be “God with skin on” for that person in return.

Emotionally Healthy Relationships Updated Edition Workbook plus Streaming Video Peter Scazzero 2022-01-04
Pete and Geri Scazzero developed the Emotionally Healthy (EH) Relationships Course over a 21-year period to directly address core biblical principles to guide you and others into an experience of discipleship that will deeply change your life. Raising the Balance Bianca Archibald Minor 2007-08-31 This book Raising the Balance: Single Parenting is a personal experience of a single mother, while balancing the multiple aspect of life. My Pastor, Dr. Ralph Douglas West, has taught us that any help or need we may have for balancing life, can be found in the Bible. The points made in this book deals with the many facets of life when raising children, while using a biblical point of view along

with my experience to help in dealing with that particular situation. I am presently in the process of finishing the study guide to this book. It will give a more detailed look for the studious Christian, who would like to dig deeper into what God has to say about parenting and balancing life as a whole.

Biblical Counsel 1993
