Mergers, Acquisitions, and Other Restructuring Activities Donald DePamphilis 2017-07-12 Mergers, Acquisitions, and Other Restructuring Activities: An Integrated Approach to Process, Tools, Cases, and Solutions, Ninth Edition, is the most current, comprehensive and cutting-edge text on M&A and corporate restructuring available. It includes many of the most up-to-date and notable deals and precedent setting judicial decisions, as well as new regulations, trends and tactics employed in M&As. The implications of recent developments such as negative interest rates on valuation and the backlash against globalization for cross-border M&As are discussed. More than 90% of the case studies are new for this edition, involving deals either announced or completed during the last several years. It is comprehensive in that nearly all aspects of M&As and corporate restructuring are explored from business plan development to target selection and valuation to negotiation and post-merger integration. It is cutting edge in that conclusions and insights are anchored by the most recent academic research, with references to more than 160 empirical studies published in leading peer-reviewed journals just since the release of the last edition in 2015. Teaches about the financial, legal, accounting and strategic elements of mergers and acquisitions by concentrating on the ways their agents interact Emphasizes current events and trends through new and updated cases Highlights international mergers and acquisitions activities

Glencoe Accounting: First Year Course, Student Edition McGraw-Hill Education 1999-03-10 Solid content and the newest technology combine to create the most comprehensive real-world accounting program available! You receive cutting-edge experience in business accounting through Glencoe's partnerships with the American Institute of Certified Public Accounting (AICPA), Peachtree Accounting Software, and Robert Half International. This completely revised accounting program gives students the latest content and introduces the most exciting technology - all designed to connect accounting to the real world of business. Students will be introduced to the real world of accounting software through the integration of Peachtree throughout the text as an essential part of this program. Software tutorial directions are included at the point of instruction for each application.

Ebook: Advanced Accounting Joe Ben Hoyle 2014-10-16 The approach used by Hoyle, Schaefer, and Douplik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards.

Financial Accounting: The Impact on Decision Makers Gary A. Porter 2014-01-01 FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS, Ninth Edition, is packed with decades of academic and real-world accounting experience. This text provides the appropriate blend of academic rigor with step-by-step learning and decision-making models that reach today's students and equip them with the skills they need to be effective decision makers and future business leaders. Instead of an abstract approach to accounting, FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS takes students through recognizable focus companies and their specific financial data and business strategies, imparting students with real-life experience and a model to hone the skills necessary to making important decisions. This edition features three key models that provide students with a more structured approach to understanding financial data and how it is used to make sound business decisions. The Transaction Analysis Model helps students see the effects an economic event has on the accounting equation and financial statements. The Financial Decision Framework focuses on ratio analysis and financial decisions, and the Ethical Decision Model helps students apply ethical judgment when applying accounting principles. FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS, Ninth Edition, will not only help your students learn and understand core accounting rules and procedures but it will also give them a framework through which they can apply their knowledge to make effective business decisions.
