So Much To Tell Valerie Grove 2010-05-06 Kaye Webb, a journalist with no publishing experience, burst into the world of children's books in 1961 and changed the face of children's publishing forever. Her child-like enthusiasm and shrewd business mind led her to become Puffin's most successful editor and the genius behind the Puffin Club, which opened up the exciting world of authors and books to children across Britain. But whilst Kaye's professional life had worked out beautifully, her private life had been the reverse. Kaye had two husbands before her marriage to the artist Ronald Searle, and the torment of his sudden and shocking departure never left her. Yet to the outside world Kaye Webb remained passionate and unstoppable. This is the unknown story of the woman who brought the joy of books to children everywhere whilst battling the emotional pain that plagued her private life.

Dirty Beasts Roald Dahl 2001 A collection of (mainly) grisly beasts out for human blood, ranging from Crocky-Wock the crocodile to Sting-A-Ling the scorpion. Described in verse with all Dahl's usual gusto and illustrated in a suitably wicked style by Quentin Blake. Was that CROCKY-WOCK galumphing up the stairs? Is STING-A-LING hiding in your bed? And what foul fate has PIGGY planned for Farmer Bland? WARNING! This book contains wickedly funny

verse, prickly surprises and the most despicable creatures you could ever hope (not) to meet.

Learning to Read in a New Language Eve Gregory 2008-03-03 '[This book] is a helpful edition to a field where there is a limited amount of good literature to support teachers dealing with

second language acquisition in the classroom' - ESCalate 'Gregory's book is an important and

timely contribution to the literature on literacy, biliteracy, second language learning and early

childhood education, synthesizing cutting-edge research, perspectives and teaching

approaches in a clear and accessible way. Overall, it is a terrific resource' - Dinah Volk

Across the world, an increasing number of young children are learning to read in languages different

from their mother tongue, and there is a clear need for a book which addresses the ways in

which these children should be taught. Eve Gregory's book is unique in doing so. Building upon

the ideas proposed in Making Sense of a New World, this second edition widens its scope,

arguing for the limitations of policies designed for 'monolingual minds' in favour of

methodologies which put plurilingualism at the centre of literacy tuition. This book offers a

practical reading programme -- an 'Inside-Out' (starting from experience) and 'Outside-In'

(starting from literature) approach to teaching which can be used with individuals, small groups

and whole classes. It uses current sociocultural theory, while drawing on examples of children

from America, Australia, Britain, China, France, Singapore, South Africa and Thailand who are

engaged in learning to read nursery rhymes and songs, storybooks, letters, the Bible and the

Qur'an as well as school texts, in languages they do not speak fluently. Gregory argues that, in

order for literacy tuition to be successful, reading must make sense -- children must feel part of

a community of readers. There is no common method which they use to learn, but rather a

shared aim to which they aspire: making sense of a new world through new words. Eve

Gregory is Professor of Language and Culture in Education at Goldsmiths, University of London.

Icebergs Rebecca Johns 2010-12-15 Two friends, Walter Dunmore and Al Clark, are the only members of their bomber crew to survive an airforce plane crash in World War II Canada. But they must struggle with the sub-zero wilderness of Newfoundland's Labrador coast until help arrives. Meanwhile, on the homefront, in a small farming community, Walt's wife Dottie struggles with her own battles: loneliness, anxiety and her attraction to an itinerant farm worker. Only one man comes home alive from Labrador, but the lives of their two families remain forever entwined. Years later, in Chicago where they've all moved, questions of loyalty and bravery ensnare their children. And as they confront the horrors of Vietnam one of them will be left to choose between revenge or sacrifice. The novel follows the characters into old age, when decades-old secrets are laid bare to redeem the present and illuminate the past. Rebecca

Johns explores with remarkable grace and intimacy themes of love and infidelity, bravery and cowardice, domesticity and marriage.
