The Rough Guide Snapshot to Kuala Lumpur is equivalent to 90 printed pages.

The Rough Guide to Singapore Mark Lewis 2003 A revered Apache spiritual and military leader and a recurring figure in pop culture lore, Geronimo was a key figure during the settlement of the American Southwest. He led one of the last major independent Indian uprisings and personified the struggle of Native Americans during westward expansion. Geronimo: A Biography explores the life of this legendary leader, a man who has become an icon of the courageous—and doomed—struggle of the Native Americans. This biography follows Geronimo's life from his traditional Apache upbringing to his final days as a celebrity prisoner of war. It discusses the historical and social forces at work during the period, including Native American traditions and lifeways. It also shows how Geronimo's surrender in 1886 marked the end of the traditional Native American way of life. No longer free to roam the lands of their forefathers, Indians faced a future of captivity and a struggle to maintain their identity and traditions.
