All in My Head Paula Kamen 2009-04-24 At the age of twenty-four, Paula Kamen's life changed in an instant. While she was putting in her contacts, the left lens disturbed a constellation of nerves behind her eye. The pain was more piercing than that of any other headache she had ever experienced. More than a decade later, she still has a headache-the exact same headache. From surgery to a battery of Botox injections to a dosing of Lithuanian holy water, from a mountain of pharmaceutical products to aromatherapy and even a vibrating hat, All in My Head chronicles the sometimes frightening, usually absurd, and always ineffective remedies Kamen-like so many others-tried in order to relieve the pain. Beleaguered and frustrated by doctors who, frustrated themselves, periodically declared her pain psychosomatic, she came to understand the plight of the millions who suffer chronic pain in its many forms. Full of self-deprecating humor and razorsharp reporting, All in My Head is the remarkable story of patience, acceptance, and perseverance in the face of terrifying pain. The Charlotte Perkins Gilman Reader Charlotte Perkins Gilman 1999 THE CHARLOTTE PERKINS GILMAN READER is an anthology of fiction by one of America's most important feminist writers. Probably best known as the author of "The Yellow Wallpaper," in which a woman is driven mad by chauvinist psychiatry, Gilman wrote numerous other short stories and novels reflecting her radical socialist and feminist view of turn-of-the-century America. Collected here by noted Gilman scholar Ann J. Lane are eighteen stories and fragments, including a selection from Herland, Gilman's feminist Utopia. The resulting anthology provides a provocative blueprint to Gilman's intellectual and creative production.

The Yellow Wallpaper & Herland Charlotte Perkins Gilman 2021-06-24 Charlotte Perkins Gilman's progressive views on feminism and mental health are powerfully showcased in her two most famous stories. The Yellow Wallpaper skillfully charts one woman's struggle with depression whilst Herland is an entertaining imagining of an all female utopia. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition is introduced by journalist and author Lucy Mangan. Confined to her attic bedroom and isolated from her newborn baby, the nameless narrator of The Yellow Wallpaper keeps a secret diary in which she records the sprawling and shifting patterns of the room's lurid yellow wallpaper as she slowly sinks into madness. This chilling story is based on the author's own experience of depression. In Herland, a trio of men set out to discover an all-female community rumoured to be hidden deep in the jungle. What they find surprises them all; they're captured by women who, for two thousand years, have lived in a peaceful and prosperous utopia without men.

"The Yellow Wall-paper" and Selected Stories of Charlotte Perkins Gilman Charlotte Perkins Gilman 1994 This volume features twenty-five of the nearly two hundred short stories produced by Charlotte Perkins Gilman during her lifetime. Denise D. Knight has collected stories that demonstrate Gilman's remarkable versatility as a writer of fiction. Although primarily didactic, the stories represent a surprising range of form and style, from fictionalized autobiography to satire, to parables and fables. Gilman's voice reveals both a staunch feminist fiercely committed to promoting social change and a woman whose caustic wit was unmatched by her contemporaries. The original manuscript version of "The Yellow Wall-Paper" and many of the other stories included are here anthologized for the first time. The edition is complete with a critical introduction, explanatory notes, and primary and secondary bibliographies. The fiction included in this volume is divided into five parts: part 1 includes three works based on incidents from Gilman's life, each written in California in the early 1890s; part 2 reprints six stories that explore human rights and social conflicts; the third part features five stories examining issues of autonomy and independence; part 4 comprises four works focusing on a favorite theme of Gilman's - female bonding; and the last section reprints seven short narratives that include stylistic imitations of two of Gilman's contemporaries.

Behind the Yellow Wallpaper Farah Ahamed 2014-06-09 "The Yellow Wallpaper" by Charlotte Perkins Gilman is a feminist classic, a haunting critique of the isolation treatment for female hysteria wrapped up in a superb psychological horror story. Over a century later women are still battling gender bias in the treatment of mental illness. Here are 15 stories of very different women who have in common the fact that they are fighting for control of their worlds and of their minds. Traci Orsi's "Waiting for Jordan" finds Julia hallucinating at home when her husband is shipped off to Iraq. Leah Chaffin's "Last Caress" delves into the sad and savage story of a rare female serial killer while in "An Obedient Girl" Amy Bridges relates her experience as an average girl who has a singular experience with a lobotomized woman. Age, religion, motherhood, sex and work life are all explored in these gripping stories of women who remain Behind the Yellow Wallpaper, battling valiantly and sometimes viciously to break free by any means necessary. Each story is paired with original photographic art by Loreal Prystaj. Prystaj's dark, gripping art evoke the same despair, fear, anger, hopelessness, heartache, and fight for survival that make up these extraordinary New Tales of Madness.

In 'Het gele behang' stelt Gilman het gebrek aan zeggenschap van vrouwen over hun eigen leven en de weerslag hiervan op hun geestelijk en fysiek welbevinden, in de 19e eeuwse Amerikaanse maatschappij, aan de kaak. Het verhaal vertoont veel raakvlak met Charlotte Perkins Gilman's eigen leven. Na de geboorte van haar dochter onderging ze een postnatale depressie. Ze werd behandeld door, de in het verhaal genoemde arts, Weir Mitchell. Hij schreef haar een rustkuur voor: "een zo huiselijk mogelijk leven, zonder potlood, pen en penseel."

THE COMPLETE HERLAND TRILOGY: Moving the Mountain, Herland & With Her in Ourland Charlotte Perkins Gilman 2017-08-07 *Moving the Mountain* is a feminist utopian novel. The book was one element in the major wave of utopian and dystopian literature that marked the later nineteenth and early twentieth centuries. Perkins sends a man forward in time to a better world, but gives him deep difficulties in adjusting to it. Herland describes an isolated society composed entirely of women who reproduce via parthenogenesis. The result is an ideal social order, free of war, conflict and domination. The story is told from the perspective of Van Jennings, a student of sociology who, along with two friends, Terry O. Nicholson and Jeff Margrave, forms an expedition party to explore an area of uncharted land where it is rumored lives a society consisting entirely of women. The three friends do not really believe the rumors as they are unable to conceive of how human reproduction could occur without males. The men speculate about what a society of women would be like, each guessing differently based on the stereotype of women which he holds most dear... *With Her in Ourland* draws a contrast between Gilman's idealized vision of a feminist society in Herland and the darker realities of real, outside, male-dominated world. Charlotte Perkins Gilman (1860-1935) was a prominent American feminist, sociologist, novelist, writer of short stories, poetry, and nonfiction, and a lecturer for social reform.

From Sentences to Essays: A Guide to Reflective Writing through Reflective Thinking Mara Cogni 2019-07-01 There is hardly any doubt that reading and writing are related activities, and that both rely on creating meaning. When we read, as well as when we write, we find ourselves in the process of becoming. We change our knowledge and understanding along the way. However, writing is a daunting activity not only for language learners but for anyone who wants to communicate their thoughts and ideas persuasively and accurately. When students engage in speaking activities, they are often able to communicate extraordinarily interesting ideas with few problems. Yet, when asked to form these ideas into coherent texts, they seem helpless. From basic sentence structure to writing persuasively, this book aims to help students tackle the various challenges and difficulties they face when writing. Divided into three accessible sections, Cogni presents a comprehensive and reflective approach to writing that combines grammar, vocabulary, and literature into a simultaneous and coherent whole. Cogni acknowledges that today more than ever learning a language needs to be perceived as a deeply meaningful process, and this book seeks to make that possible.

Twenty-One Genres and How to Write Them Brock Dethier 2013-04-15 In this classroom-tested approach to writing, Brock Dethier teaches readers how to analyze and write twenty-one genres that students are likely to encounter in college and beyond. This practical, student-friendly, task-oriented text confidently guides writers through step-by-step processes, reducing the anxiety commonly associated with writing tasks. In the first section, Dethier efficiently presents each genre, providing models, a description of the genres' purpose, context, and discourse; and suggestions for writing activities or "moves" that writers can use to get words on the page and accomplish their writing tasks. The second section explains these moves, over two hundred of them, in chapters ranging from "Solve Your Process Problems" and "Discover" to "Revise" and "Present." Applicable to any writing task or genre, these moves help students overcome writing blocks and develop a piece of writing from the first glimmers of an idea to its presentation. This approach to managing the complexity and challenge of writing in college strives to be useful, flexible, eclectic, and brief—a valuable resource for students learning to negotiate unfamiliar writing situations.

Spirits and Thought Forms: Tales from Prosperity Glades Jeffrey Kosh 2014-05-20 *Spirits*, by their nature, are formless beings; in a way they are just memes. Each spirit represents something about human nature and wishes. Spirits are wishes made into flesh - or almost flesh. A thought form can range in complexity from a simple emotional impression to a fully sentient and aware being, and in power from a minor servitor entity to a god. And they wear masks. In *Prosperity Glades* all spirits wear a mask: the Veiled Queen, Nemesis, the Smiling Monster, the Dying Road, and the Cloaked Man. These tales are all about masks, spirits, and thought forms. All take place in *Prosperity Glades*, because there's a weak spot between our world and the spiritual one, right in the middle of Grassy Swamp. And spirits - and thought forms - do thrive there. Jeffrey Kosh invites you to return once again to that weird town in the heart of Florida's Everglades; where primal forces have a hold on human desires. Yet beware, once there ...avoid making wishes. They can come true and take form.

25+ The World's Greatest Short Stories. Vol 1. Illustrated Washington Irving 2021-12-23 The short-story commenced its career as a verbal utterance, or, as Robert Louis Stevenson puts it, with "the first men who told their stories round the savage camp-fire." Not every boy or girl will read novels after leaving school, but every boy or girl is certain to read short stories. Here is a collection that is entirely modern. The authors represented are among the leading authors of the day, the stories are principally stories of present-day life, the themes are themes of present-day thought. The students who read this book will be more awake to the present, and will be better citizens of to-day. Explorations in Classical Sociological Theory Kenneth Allan 2010 Explorations in Classical Sociological Theory: Seeing the Social World, Second Edition is an undergraduate sociological theory textbook that introduces the student to the major classical theorists, including Marx, Spencer, Durkheim, Weber, Simmel, Mead, Schutz, Gilman, and Du Bois. The theorists were chosen for the diversity of their perspectives as well as their ability to introduce the student to contemporary theory. Kenneth Allan uses a lively informative writing style to engage the students in the eras of social change that spawned the major sociological theories and then applies them to the current era, which also is experiencing major social change. Features and benefits: · The book includes a glossary of terms. Each of the theorist's important concepts are highlighted in the text and clear definitions provided in the glossary. This feature is particularly important because theory is made up of terms and concepts and without the use of a glossary, it is very easy for the undergraduate theory student to lose track of the terms and meanings. · While the book is organized primarily around the individual theorist's perspective, a categorical scheme is also provided so the student can roughly situate the theorists and decide for themselves some of sociology's big questions. The scheme provided in the book is not the one usually used by textbooks. The more commonly used scheme (conflict, functional, interaction) hides some really important questions that the student needs to consider (for example, is society an object or does it exist only through interpretations?). · The book provides an appendix with complete definitions of most of sociology's major "perspectives" e.g., critical theory (including feminism, race, and queer theory, postmodernism, and so on), exchange theory, rational choice theory, dramaturgy, ethnomethodology, structuration, network theory, ecological theory, social phenomenology, and so on. · The book introduces the power and poetry of theory by extensive use of original source material from the theorists writings.

Onzichtbare man Ralph Ellison 2017-01-10 Onzichtbare man is het verhaal van een jonge, hoogopgeleide zwarte man, die geen kans krijgt om te slagen in een gesegregeerde maatschappij die weigert hem als een menselijk wezen te zien. Het verhaal volgt de fysieke en psychologische reis van de naamloze hoofdpersoon tegen de achtergrond van New York in de eerste helft van de twintigste eeuw. Ellison weet als geen ander het brute naast het burleske en het komische naast het tragische te plaatsen in een roman die nu, 65 jaar na eerste verschijning, relevanter en urgenter is dan ooit. Onzichtbare man wordt alom geprezen als een van de beste Engelstalige romans van de twintigste eeuw. Onder anderen James Baldwin en Ta-Nehisi Coates lieten zich inspireren door de creatieve manier waarop Ellison een beeld schetst van een jonge zwarte man in het Amerika van vóór de burgerrechtenbeweging. Het boek stond model voor de memoires van Barack Obama.

The Yellow Wallpaper And Selected Writings Charlotte Perkins Gilman 2009-05-07 It is stripped off - the paper - in great patches . . . The colour is repellent . . . In the places where it isn't faded and where the sun is just so - I can see a strange, provoking, formless sort of figure, that seems to skulk about . . .' Based on the author's own experiences, 'The Yellow Wallpaper' is the chilling tale of a woman driven to the brink of insanity by the 'rest cure' prescribed after the birth of her child. Isolated in a crumbling colonial mansion, in a room with bars on the windows, the tortuous pattern of the yellow wallpaper winds its way into the recesses of her mind. Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century. In addition to her masterpiece 'The Yellow Wallpaper', this new edition includes a selection of her best short fiction and extracts from her autobiography.
